Albi, ngày 5 Oct. 1990

Chiến Sĩ thân mến,

Viết thư này đến Chiến, tôi cũng hơi ngại.
Nhưng ngoài Chiến ra, tôi không có ai quen để
xin giúp hộ. Vậy xin Chiến cảm thông. Bởi
biết trong gia quyến đã nhờ Chiến vì này việc
nọ, và được Chiến tận tình giải quyết hóa giải.
Quảng rãi Chiến thêm, cũng là chuyện bất đắc
đĩ.

Chiến 7 năm 1985, tôi có vô đòi
xin Immigrant Visa ở Tòa Đại sứ Hoa Kỳ Paris
trong chuỗi trial sum họp gia đình với Ba tôi và
em gái tôi NGUYEN KIM NGA ở Houston, Texas.
Từ 5 năm nay đã mãi, tôi viết thư hỏi, họ
hà là phải đòi khoảng 3 năm nữa. (1993)
Hồ sơ đã hoàn tất, đầy đủ, chỉ cần chờ đợi.
Mà không biết đến chừng nào.
Có người bảo, nếu được Hồ Chí Chiến ở, hoặc
Bà trưởng can thiệp, sẽ nhanh chóng hơn.
Trong quá khứ, tôi là y tá Chiến tá ở Sư Đoàn
4 Không Quân, Bình Thuận, thuộc Quân Khu 4.
Từ 1965 đến 1972 tôi hết phải về Bộ Y Tế,
nhưng cũng vẫn giữ đủ các quân nhân tử bị.
Trong thời gian trong quân đội, tôi đã cùng tác
chiết chết với không được Hoa Kỳ (Bình Thuận
US Air Force Wing.) từng chiến dịch Dân sự và
(Phước Hoang) và đã nhiều lần đi rescue cứu
phi công Mỹ. (Được giải Khen của Không lực Mỹ)

Với tư cách cựu quân nhân, tôi có thể được ưu đãi cũng xét hay không?
Hay là Ông có cách nào khác để cho gia đình tôi được vào Mỹ với các Immigrant không?
Chắc Ông biết rõ nhiều về thủ tục này.

Mục đích của tôi xin vào quốc tịch Hoa Kỳ là để cho hai đứa nhỏ được vào Đại học Mỹ, trả tiền học phí rẻ. Bọn đứa lớn đã học xong Đại học bên Pháp. Tôi muốn cho hai đứa sau, theo văn hoá Mỹ, và nên được, ở luôn bên Mỹ lâu việc, nên chúng nó muốn. Phần chúng tôi, sau này luân trí cũng đủ ăn, đi đi lại lại thăm ba con bạn bè. Dễ dàng. Và nên giữ hình ảnh tại ở Bắc châu biên giới, cũng ra đi dễ hơn. Mình bị "cu" 1975 đến nay, vẫn coi như mai!!

Nên được Ông can thiệp với Tòa Đại sứ Hoa Kỳ ở Paris để họ xét nhanh hơn, thì coi quý bằng! Hay là nhờ Ông tìm hiểu các khác, trong chương trình Cựu quân nhân VNCH.

Nhờ Ông chủ báo đưa, tôi xin cảm tạ.

Sau Hoa có nó đã gặp Ông tại Washington lúc hè này. Ba tôi hiện ở Sacramento, Chủ Ông Bấy tôi vừa được xuất cảnh sang Úc 6 tháng để thăm cô bạn tôi hiện được đi trú tại Úc với các con.

Chúng tôi rất mong Ông và các cháu sang Pháp ở chơi với chúng tôi cho biết Bắc châu. Đời còn dài, chắc cháu chúng ta còn nhiều phen gặp gỡ.

Mến thăm Ông và các cháu mau giờ. Một lần nữa, xin lỗi đã làm phiền Ông.

Thân ái

Re: Nguyen, Chau Ngoc
Case #: 85189036

Dear Senator Kennedy:

The Families of Vietnamese Political Prisoners Association would like to bring the above-referenced case to your attention and request assistance from you.

Dr. Nguyen was a former military physician and left Vietnam for a mission in France prior to the fall of Saigon. Due to the fact that he was basically on another routine mission he did not bring any personal documents, certificates and/or letter of appreciation (1969 United States Air Force; enclosed is his official passport). Needless to say, this creates numerous problems for Dr. Nguyen in his quest to relocate to the United States.

Currently Dr. Nguyen's 87 year old father is very ill and wishes his eldest son, Dr. Nguyen, to be with him to take care of him at this time. Dr. Nguyen's father and two sisters are U.S. citizens and are living in the United States.

We have listed below the names of advisors with whom Dr. Nguyen has worked very closely with over the years:

Dr. John Ely

Post Falls, Idaho 83854

Lieutenant Colonel Muller

Lawton, Oklahoma 73505

Dr. Vanderhoof

Dr. Ross (Captain)

Dr. Edwards (Lieutenant Colonel)

The Honorable Edward M. Kennedy

It is our hope that you will be able to look into this particular situation and provide some relief and hope for this family. During this the season of peace and good will it would a real show of the humanitarian effort and spirit to have Dr. Nguyen's case considered such that he can relocate to the United States to be with his ailing and aged father.

Again we thank you for your many acts of kindnesses extended to us during the year and wish you a season of peace and happiness, joy and love.

Sincerely,

(Mrs.) Khuc Minh Tho

Dear Visa Applicant,

9th July '85

Reference is made to your recent inquiry concerning your immigrant visa case. Please read carefully the paragraphs checked below. You may disregard any unchecked paragraphs.

☒ Although this office has received satisfactory evidence establishing your entitlement to immigrant classification, a waiting period of an indeterminate length of time must be anticipated before further consideration can be given to your application. This is necessary because there are more applicants for visas than there are immigrant visa numbers available under the numerical limitations prescribed by law. At the present time, visa numbers in your category are :

☐ unavailable

☒ available only for persons who have a priority date earlier than 8 April 81

☐ Since you are at present only qualified for non preference immigrant visa and such numbers are not presently available for you, it may be to your advantage if your prospective employer in the United States would submit a petition (Form I-140) to the Immigration and Naturalization Service in the United States to accord you third or sixth preference status. We have, therefore, returned your approved Labor Certification to your prospective employer with a notice to this effect. While the approval of a third or sixth preference petition would normally expedite consideration of your case, it should be noted that the approval of such a petition does not ensure the immediate availability of a visa number.

At such time it is possible to take further action on your application, this office will inform you. Meanwhile, we wish to establish a record for you and all family members who will accompany you to the United States. To accomplish this, we need your cooperation in completing and returning to this office IMMEDIATELY the enclosed Optional Form 179 (Biographic Data for Visa Pusposes).

P.O. Box 5435

Dear Mrs. Tho:

I am responding to your recent letter regarding Mr. Nguyen Ngoc Chau.

Currently, Mr. Chau is registered as an applicant for a fifth preference visa -- a visa awarded to siblings of United States citizens. This is the most heavily backlogged visa category in U.S. immigration, and the wait can take many years.

However, I note from your letter that Mr. Chau's father is an American citizen. Should the father be able to file an immigrant visa petition with the Immigration Service on behalf of Mr. Chau, he would then be in a far more favorable immigration category in which the waiting period would be far shorter than under fifth preference.

Once the father files a visa petition for his son, and if the father's need for Mr. Chau's care can be carefully documented for the Immigration Service, then the family may wish to consider requesting entry to the United States for Mr. Chau under "humanitarian parole" -- a status granted in rare and exceptional instances -- which would enable Mr. Chau to remain in the United States while awaiting his permanent visa.

I regret that there is no quicker way for Mr. Chau to immigrate in light of his father's condition. Immigration law states clearly that visas are granted on a first come, first served basis, so there is no way for Mr. Chau to move ahead of other applicants. But I hope that this information is helpful.

Dear Mrs. Tho:

I am responding to your recent letter regarding Mr. Nguyen Ngoc Chau.

Currently, Mr. Chau is registered as an applicant for a fifth preference visa -- a visa awarded to siblings of United States citizens. This is the most heavily backlogged visa category in U.S. immigration, and the wait can take many years.

However, I note from your letter that Mr. Chau's father is an American citizen. Should the father be able to file an immigrant visa petition with the Immigration Service on behalf of Mr. Chau, he would then be in a far more favorable immigration category in which the waiting period would be far shorter than under fifth preference.

Once the father files a visa petition for his son, and if the father's need for Mr. Chau's care can be carefully documented for the Immigration Service, then the family may wish to consider requesting entry to the United States for Mr. Chau under "humanitarian parole" -- a status granted in rare and exceptional instances -- which would enable Mr. Chau to remain in the United States while awaiting his permanent visa.

I regret that there is no quicker way for Mr. Chau to immigrate in light of his father's condition. Immigration law states clearly that visas are granted on a first come, first served basis, so there is no way for Mr. Chau to move ahead of other applicants. But I hope that this information is helpful.

Re: Nguyen, Chau Ngoc
Case #: 85189036

Dear Senator Kennedy:

The Families of Vietnamese Political Prisoners Association would like to bring the above-referenced case to your attention and request assistance from you.

Dr. Nguyen was a former military physician and left Vietnam for a mission in France prior to the fall of Saigon. Due to the fact that he was basically on another routine mission he did not bring any personal documents, certificates and/or letter of appreciation (1969 United States Air Force; enclosed is his official passport). Needless to say, this creates numerous problems for Dr. Nguyen in his quest to relocate to the United States.

Currently Dr. Nguyen's 87 year old father is very ill and wishes his eldest son, Dr. Nguyen, to be with him to take care of him at this time. Dr. Nguyen's father and two sisters are U.S. citizens and are living in the United States.

We have listed below the names of advisors with whom Dr. Nguyen has worked very closely with over the years:

Dr. John Ely

Post Falls, Idaho 83854

Lieutenant Colonel Muller

Lawton, Oklahoma 73505

Dr. Vanderhoof

Dr. Ross (Captain)

Dr. Edwards (Lieutenant Colonel)

The Honorable Edward M. Kennedy
Chairman
Subcommittee on Immigration and
Refugee Affairs
December 12, 1990
Page Two

Dr. Nguyen has given numerous hours of invaluable service in saving the lives of many U.S. military personnel. He has received two (2) gold and two (2) silver medals for bravery during combat in the rescue of military pilots in the enemy zone. He has been a very brave and conscientious physician whose acts of bravery have not gone unnoticed.

It is our hope that you will be able to look into this particular situation and provide some relief and hope for Dr. Nguyen's family. During this the season of peace and good will, it would be a real show of the humanitarian effort and spirit to have Dr. Nguyen's case considered such that he can relocate to the United States to be with his ailing and aged father.

Again, we thank you for your many acts of kindnesses extended to us during the year and wish you a season filled with peace and happiness — joy and love.
