TB. Washington . ngày 5-7-1999.

Kính gửi chị Khúc Minh Thu.

Trước tiên gia đình tôi xin hỏi chị và viết chủ này hỏi trả về chủ chi về gia đình an lạc.

Sau đây tôi trình bày như sau mà chị yêu cầu. Xin phép chị và quý cơ quan cho tôi trình bày bằng tiếng Việt để có phần đầy đủ hơn.

Gia đình tôi ở theo diện H.O và tôi trẻ nên chỉ có 2 vợ chồng đến phi trường Louisiana (Alexandria) khoảng 14 giờ ngày 14 tháng 11-96. Đến phi trường và chẳng có ai là người VN - Nên tôi lưỡng lự về chỗ ở mãi khoảng 1 giờ sau tôi phải nhờ Police phi trường giúp đỡ. Văn phòng Police phi trường họ rất nhiệt tình nhưng họ cũng chẳng biết làm cách nào mãi khoảng nửa giờ sau họ mới liên lạc được 1 Ông B/Đ VN làm việc tại Bệnh viện Cựu quân nhân Mỹ và Ông B/Đ này nói chuyện trực tiếp với tôi qua điện thoại. Ông B/Đ này chưa biết là VP/USCC ở có ai nghe điện thoại cả nên ông ta có nhân lại thôi. Nếu đến 6 giờ PM mà không có ai thì xin gia đình tôi thì Ông sẽ đến đón họ và 6 giờ PM ông ta mới ra số. (Ông ta là B. Si Phung)

Đến 5 giờ 30 PM - thì có người ra đón, tôi được biết người đó tên Diên là chồng của Bà Thìn làm ở VP hội USCC tại Pineville.

Và chúng tôi được đưa đến nhà Ông Liêu ở tạm. Chúng tôi tạm trú trong nhà Ông Liêu trong 1 căn phòng ngang 8' và dài 8' - chỉ có 1 tấm nệm bằng gỗ có 1 bóng đèn trên trần và có sàn Ván như vậy tất cả 11 ngày - Ban ngày vợ tôi phụ cơm nước và gia đình này đang giữ trẻ - đêm thì lạnh vì lân đầu sang Mỹ khi hậu ở phù hợp nên có thêm chúng tôi ở chịu nổi cái lạnh nên phải ngồi ở cùng với nhau cho sáng.

Ban ngày tôi đi bộ quanh co để cố gắng tìm thuê nhà
và sau cùng tôi tìm được nhà thuê 150 USD / tháng. Chúng tôi
báo cho chị Thìn biết là chúng tôi xin được chỗ ở mới. Khi chị
Thìn cho chúng tôi biết là Hội USCC đã chi trả cho ông tiền
150*US tiền phí tồn mà 11 ngày qua vô chúng tôi ở đó. Và chị
Thìn cũng đồng thời đưa tôi ký 1 số giấy tờ của Hội mà trong
đó có cả giấy ủy quyền của tôi cho Bà ấy được nhận tiền
Welfare và food stamp. Vì Bà ấy cho biết là ai đến đây cũng
làm như vậy cả.

Thật thất vọng cho tôi. Và chúng tôi cứ nghĩ rằng thân phận
của chúng tôi được chính phủ Mỹ cho ở là tạm là quý rồi, bây giờ
lại được Hội USCC giúp như vậy lại càng quý hơn. Sau này
chúng tôi mới biết là lời được sự không hiểu biết của những
người VN sang tìm củi mà Bà Thìn khuyến cáo từ mọi thứ
từ vật chất đến tiền bạc. Vô chúng tôi nhận được tiền welfare
và food stamp bắt đầu từ tháng 12/96.

Chúng tôi bị đóng tiền deposit vào đơn nhà, những ngày đầu
tiên chúng tôi trả tiền dần dần nên tham ngữ đó và sau đó cũng
như mấy người VN hướng dẫn và giúp phương tiện để mua giường
và những kiện nghi khác. Bà Thìn lúc bấy giờ mua được cho chúng
tôi chén, đĩa, dao thìa mà tôi cứ nghĩ rằng đó là lương thiện của
cá nhân bà.

Chúng tôi hưởng welfare (120*đồng và 220*food stamp cho cả
2 người) được 3 tháng sau thì bị cắt welfare và lúc bấy giờ
con sẽ tới ở Canada qua thăm và có mua cho tôi 1 cái xe
trị giá 3500* để đi làm việc làm. Mà theo Bà Thìn thì xe
đó 3500* rẻ xuống mà nhất là do người khác cho thì vẫn được

người của Bà tá tử VN, như con gái tôi đang học, phần
con gái tôi thì con tôi tôi chờ với bà cũ có phẩy vắn tại VN
không chấp thuận. Nhưng ở con Anh Triều - cháu Vũ thì
phần đồng ý với chị Triều sẽ con mình & được hỏi bắt lãnh.

Kính chị, Thủ. Lúc còn ở VN ngay cả thời gian tôi còn
bị CS cầm tù chúng tôi cũng có nghe danh chị - chị đã tận
tình giúp đỡ Người VN đã hoặc chưa được tự do. Nay thấy
tôi một lần nữa mong mỏi chị cố gắng điều tra thêm những
hành vi thêm - làm của Bà Thìn đại diện người VN ở Hội
USCC Pineville - Mong chị của giúp những người Việt chúng
mãi được tự do tại Pineville.

Tôi cũng xin hứa những gì tôi viết ra đây là 1 phần
sự thật mà bản thân tôi và li diện của một cựu Thiếu tá
QLVN ở tại không bao giờ vì lý do gì đem bán bán 1 cá
nhân nào - Chẳng qua vì công lý.

Kính chúc chị sức khỏe & giúp đỡ đồng hương

Kính.

XuanPham

Th. Ngoài ra những sự việc mà chị hỏi trong chủ đề lần
như mỗi lần đi New Orleans phải trả phí tổn cho Bà Thìn
từ 125% đến 175% người đến làm thủ tục là có thật như
Anh Quang, Anh Liêm, Anh Tê. Di có thể liên lạc thẳng
những anh này hiện vẫn còn ở đó.

hưởng welfare những khi mua xang thì kinh đang lại xảy ra như vậy.

Đến 10 tháng 6 năm 97 thì 2 đứa con tôi được sang Mỹ theo diện con trên 21 tuổi còn độc thân được theo cha mẹ. Ngay đến con tôi cũng chính gia đình tôi và 1 ít bạn bè ra phi trường đón. Hồi về về dùng nhà 2 hay biết được 2 ngày sau thì đứa con tôi đến hỏi về ngày sau đó bà Thìn có ký cho con tôi 1 check 200\$ cho 2 đứa gọi là tiền giúp đỡ chi phí chỗ ở cho gia đình tôi. Đến 10 tháng 7-97 con tôi & Warrington đến đây họ mới cho biết là mỗi đứa con nhận được 200\$ lúc bấy giờ tại VP Welfare thuộc bang Warrington họ gọi là Pineville thì bà Linda mới hỏi và yêu cầu bà Thìn ký thêm 1 check nữa cho tôi (200\$).

Tôi lại việc làm mà bà Thìn hết sức mừng - Từ việc đưa đến người bị nạn đi khám bệnh, bị phỉ vãn welfare và fed tax. Đến phải trả chi phí xang nhất - Đau đớn hơn là có những gia đình bệnh nặng như Anh Kê (cựu đại úy pháo binh VNCH) bị đứt mạch máu não năm 1 chỗ không nói được, nhiều lần phải gọi 911 cấp cứu nhưng vẫn không lãnh được tiền SSI - Khi nhận được mấy tháng sau bà Thìn lại tài 155\$ tiền gọi là tiền chi phí gì của Bà ta mà gia đình nam nhận 2 biết - Bữa đó anh Triều (cựu trung úy Tâm lý chiến) anh ta bị bệnh ung - thư đến ngày chết cũng vẫn còn phải bị trả tiền thuê thung. Nếu chỉ có thế giờ có gọi bằng cho những người này - và Anh Triều thì biết rõ nhiều hơn.

Ngồi ra bà Thìn còn cậy thế mình để yêu cầu gia đình nào có con em độc thân được sang Mỹ làm thì hãy hỏi để giúp

Kosovo family now struggles with new life

SHREVEPORT (AP) -- They survived the horrors of war in Kosovo.

Now the Enver Alidema family struggles to make it in America -- a place where a cardiologist finds himself making little more than minimum wage handling dogs at a Shreveport veterinarian clinic.

Where, instead of negotiating the safest trek across the Yugoslav border, his family must negotiate how to stretch a dollar among the massive aisles of bulk food products at the Sam's Club.

Where everyone they meet speaks a foreign language: English.

"They are trying to rebuild their lives. They lost everything," Edita Alidema, 20, says of her family. "Someone took everything they had and kicked them out of their country."

Four months ago, the Alidema family was among 800,000 ethnic Albanians who fled the Serb-repressed province of Kosovo. The family headed to an overcrowded refugee camp in Macedonia with leaky tents and meager rations. In June, President Clinton opened the door for thousands of Albanian refugees to enter the United States.

The Alidemases were flown to Shreveport and reunited with Edita, who came here in 1996 through a student foreign exchange program. She had lost contact with her family for more than two months and did not know if they were dead or alive. She monitored the daily tumult in Kosovo on television and feared the worst until she received a 4 a.m. phone call and heard her mother's voice.

"Mamma, tell me this is really you?" she cried into the phone.

Safely in Shreveport, the family members speak little of their ordeal.

"They still are not telling me all the story," Edita says. "How they got out of Kosovo alive, God Almighty knows. There was one time the whole family was lined up to get shot."

The family prefers to focus instead on the task at hand: Life in Shreveport. In just two short months, Enver Alidema, his wife, Drita, 39, son Kushtrim, 17, have obtained jobs; Enver and Kushtrim, after one failed attempt, passed the test and obtained Louisiana driver's licenses; and the family, which also includes younger daughters Vjosa, 16, and Venera, 11, is learning to speak the English language.

"I think they're doing great. They've been thrown into an English-speaking society without anyone being there to translate. I'm sure it's been painful for them," said Suzanne Handley of Literacy Volunteers of America. She visits the family's Broadmoor home each week to teach English. "They're very motivated and gracious people. They want so badly to give something back."

most refugees would have started new lives here. The reopening of Kosovo presented the political refugees with a dilemma: to stay, go, or wait and see.

The Alidemases plan to stay put, Edita said.

I'm sure it's been painful for them," said Suzanne Handley of Literacy Volunteers of America. She visits the family's Broadmoor home each week to teach English. "They're very motivated and gracious people. They want so badly to give something back."

Freedom comes at a price. Giving something back will come first in the form of a pay back. The Alidemas owe \$4,000 to the U.S. government for their flight to America -- a payment that's due in December. That same month, the family must start paying a landlord who is presently letting them stay in their Broadmoor home rent-free.

With only minimum wage jobs, the family already worries about making ends meet each week.

The family's financial concerns have cast Edita into the awkward role of caretaker, helping her parents find work, running them on errands and to doctors and dentists, and teaching them how to survive in an English-speaking society. Assistance she expected from the Refugee Resettlement Center in Alexandria, which is helping two other Kosovo refugee families here, has been sorely lacking, Edita said. She has called refugee resettlement officials in Washington, D.C., to complain.

"I'm not trying to mooch off anybody," Edita said. "But my parents haven't received near the assistance they can get. Refugees are entitled to something. These people have lost everything and they need help to become independent and fend for their families."

About a third of the more than 10,000 Kosovo refugees who were resettled in the United States are returning home on free government flights that began in July. While many refugees arrived in the United States vowing to leave as soon as possible, resettlement officials predicted that -- by the time Kosovo was safe enough --

Dear Mrs. Tho:

I hope this letter finds you well. It has been too long since last we met, but I hope I will have the occasion to do so before too much more time goes by.

Unfortunately, I will not be able to join you in Houston later this month. My schedule these days and work demands require me to be elsewhere during the time of your gathering. However, please know that I will be with you in spirit, for I have long admired and respected the wonderful work you and your colleagues have done on behalf of the people of Vietnam, especially those who sacrificed so much in the name of freedom.

Re: Daughter of Mr. Nguyen Te

Dear Mrs. Khuc Minh Tho

I am responding to your letter to Mr. Dick Hogan dated August 12, 1999. I have just come to work with USCC after 8 years with the Orderly Departure Program in Bangkok. I reviewed the information on file for Mr. Nguyen Te and can provide you with the following information.

Mr. Nguyen Te was interviewed by an INS officer on January 14, 1995. Unfortunately, since he was interviewed before April of 1995, his daughter is not eligible under the McCain Amendment. Furthermore, since his daughter has already reached the age of 21, she is not eligible to benefit from a Visa 93 petition. The only option available appears to be through immigrant visa processing. If Mr. Nguyen Te has not already filed an I-130 petition on his daughter's behalf, he should do so as soon as possible.

Regarding the case of V-603275, it appears that the office mistakenly matched this case with an AOR filed by Mr. Nguyen Te on behalf of his daughter. The principal applicant of this case has the same name, but a different date of birth. At no time did she claim to be the daughter of Mr. Nguyen Te. She was eligible for interview under the ROVR program.

The only thing which might give eligibility to Mr. Nguyen Te's daughter is if she too was in a camp of first asylum during the period of Oct. 1, 1995 to June 30, 1996 and somehow her name became merged with that of the refugee on case V-603275. If this is the case, Mr. Nguyen Te should contact Pamela Lewis at: Bureau of Population and Refugee Migration

Department of State
SA-1 Suite L505
Washington, D.C. 20522-0105

I regret that I am not able to provide you with a more favorable response.

Sincerely,

On behalf of the Families of Political Prisoners Association (FVPPA) we are writing at the request of Mr. Nguyen Te, who has communicated with us regarding the case of his daughter, Ms. Nguyen Thi Thuy (V-603275).

Mr. Nguyen arrived in the United States in September 1995 under the HO program of ODP for the former Vietnamese political prisoners. After his resettlement in Pineville, Louisiana, he petitioned INS for his daughter to be reunified with him. In the course of pursuing her case in Vietnam, it was discovered that Ms. Nguyen Thi Thuy was unable to obtain a passport, and so informed her father. However, her father learned from USCC that his daughter was arriving at the Alexandria Airport on October 26, 1998. When he informed USCC that his daughter was still in Vietnam, without a passport to travel, he was ignored and informed that he had to pick up his "daughter" in any case.

On behalf of Mr. Nguyen, we ask that your office look into the circumstances of this case and the status of his daughter, who is still in Vietnam. We appreciate any advice and/or assistance you can provide us in terms of how to correct and clear these apparent serious discrepancies in order for these two individuals, Mr. Nguyen and his daughter, to be reunited here in the United States.

To: Dick
Re: V-603275 Nguyen Thi Thuy
Date: 31 August 1999

I want to update you on the a/m case. The mistake could have been done in our office when DP matched the AOR with the bio on this case or in RDC, the girls have the same name but different dates of birth. After the arrival of this girl, USCC sent a fax to ODP for clarification. The answer was that the girl that had arrived did not state at her interview that she had relatives in the US. ODP received our assurance as anchor case and thought that Mr. Nguyen TE was a friend. ODP advised diocese/Mr. Nugyen Te to file an immigrant petition visa I-130 if his daughter is not married.

All ODP faxes were sent to the diocese and they informed Mr. Nguyen accordingly.

I also discussed this case with Anastasia, we both looked through ODP faxes, filing an immigrant petition visa is the only way to join her father.

The recently-enacted "McCain Amendment" to the Foreign Operations Appropriations Act for Fiscal Year 1997 provides that the children of former Vietnamese reeducation center detainees are to be considered refugees of special humanitarian concern and may be eligible for resettlement in the US if they meet the following criteria:

(1) The child in Vietnam —

- (A) is the son or daughter of a qualified national; and
- (B) is 21 years of age or older; and
- (C) was unmarried as of the date of acceptance of his/her parent's resettlement under the Orderly Departure Program.

(2) The term 'qualified national' in paragraph (1) means a national of Vietnam who —

- (A) (i) was formerly interned in re-education in Vietnam; or
- (ii) is the widow or widower of an individual formerly interned in re-education in Vietnam; and
- (B) (i) qualified for refugee processing under the ODP re-education subprogram; and
- (ii) on or after April 1, 1995, is accepted —
 - (I) for resettlement in the U.S. as a refugee; or
 - (II) for admission to the U.S. as an immigrant under the Orderly Departure Program.

ODP has reviewed your application and determined that you do not qualify for refugee consideration under the McCain Amendment for the reason(s) indicated below:

- ☒ The principal applicant was approved for refugee status or the issuance of an immigrant visa prior to April 1, 1995. His family members are therefore not covered under the terms of the Amendment.
- ☐ The principal applicant withdrew his refugee application. He and his family members are therefore no longer eligible for refugee consideration and are not covered under the terms of the Amendment.
- ☐ The principal applicant's children were lawfully married at the time of the principal applicant's approval for resettlement in the US. They are therefore not covered under the terms of the Amendment.
- ☐ The principal applicant was approved as a refugee under a category not covered by the Amendment.
- ☐ The principal applicant's children were denied at interview as their relationship to the principal applicant was not established. They are therefore not covered under the terms of the Amendment, unless they can submit sufficient evidence to establish the claimed relationships.

Dear Mrs. Khuc Minh Tho

I am responding to your letter to Mr. Dick Hogan dated August 12, 1999. I have just come to work with USCC after 8 years with the Orderly Departure Program in Bangkok. I reviewed the information on file for Mr. Nguyen Te and can provide you with the following information.

Mr. Nguyen Te was interviewed by an INS officer on January 14, 1995. Unfortunately, since he was interviewed before April of 1995, his daughter is not eligible under the McCain Amendment. On behalf of the Families of Political Prisoners Association (FVPPA) we are writing at the request of Mr. Nguyen Te, who has communicated with us regarding the case of his daughter, Ms. Nguyen Thi Thuy (V-603275).

Mr. Nguyen arrived in the United States in September 1995 under the HO program of ODP for the former Vietnamese political prisoners. After his resettlement in Pineville, Louisiana, he petitioned INS for his daughter to be reunified with him. In the course of pursuing her case in Vietnam, it was discovered that Ms. Nguyen Thi Thuy was unable to obtain a passport, and so informed her father. However, her father learned from USCC that his daughter was arriving at the Alexandria Airport on October 26, 1998. When he informed USCC that his daughter was still in Vietnam, without a passport to travel, he was ignored and informed that he had to pick up his "daughter" in any case.

On behalf of Mr. Nguyen, we ask that your office look into the circumstances of this case and the status of his daughter, who is still in Vietnam. We appreciate any advice and/or assistance you can provide us in terms of how to correct and clear these apparent serious discrepancies in order for these two individuals, Mr. Nguyen and his daughter, to be reunited here in the United States.

To: Dick
Re: V-603275 Nguyen Thi Thuy
Date: 31 August 1999

I want to update you on the a/m case. The mistake could have been done in our office when DP matched the AOR with the bio on this case or in RDC, the girls have the same name but different dates of birth. After the arrival of this girl, USCC sent a fax to ODP for clarification. The answer was that the girl that had arrived did not state at her interview that she had relatives in the US. ODP received our assurance as anchor case and thought that Mr. Nguyen TE was a friend. ODP advised diocese/Mr. Nugyen Te to file an immigrant petition visa I-130 if his daughter is not married.

All ODP faxes were sent to the diocese and they informed Mr. Nguyen accordingly.

I also discussed this case with Anastasia, we both looked through ODP faxes, filing an immigrant petition visa is the only way to join her father.

The recently-enacted "McCain Amendment" to the Foreign Operations Appropriations Act for Fiscal Year 1997 provides that the children of former Vietnamese reeducation center detainees are to be considered refugees of special humanitarian concern and may be eligible for resettlement in the US if they meet the following criteria:

(1) The child in Vietnam —

- (A) is the son or daughter of a qualified national; and
- (B) is 21 years of age or older; and
- (C) was unmarried as of the date of acceptance of his/her parent's resettlement under the Orderly Departure Program.

(2) The term 'qualified national' in paragraph (1) means a national of Vietnam who —

- (A) (i) was formerly interned in re-education in Vietnam; or
- (ii) is the widow or widower of an individual formerly interned in re-education in Vietnam; and
- (B) (i) qualified for refugee processing under the ODP re-education subprogram; and
- (ii) on or after April 1, 1995, is accepted —
 - (I) for resettlement in the U.S. as a refugee; or
 - (II) for admission to the U.S. as an immigrant under the Orderly Departure Program.

ODP has reviewed your application and determined that you do not qualify for refugee consideration under the McCain Amendment for the reason(s) indicated below:

- ☒ The principal applicant was approved for refugee status or the issuance of an immigrant visa prior to April 1, 1995. His family members are therefore not covered under the terms of the Amendment.
- ☐ The principal applicant withdrew his refugee application. He and his family members are therefore no longer eligible for refugee consideration and are not covered under the terms of the Amendment.
- ☐ The principal applicant's children were lawfully married at the time of the principal applicant's approval for resettlement in the US. They are therefore not covered under the terms of the Amendment.
- ☐ The principal applicant was approved as a refugee under a category not covered by the Amendment.
- ☐ The principal applicant's children were denied at interview as their relationship to the principal applicant was not established. They are therefore not covered under the terms of the Amendment, unless they can submit sufficient evidence to establish the claimed relationships.

Dear Mrs. Khuc Minh Tho,

Mr. Nguyen Tuong has kept me informed about your help for the refugees here in Central Louisiana. I contacted the State Coordinator, Steve Thibodeaux, November, 1998 and he in turned contacted USCC in Wash., D.C. about reported happenings. USCC sent a lady (Lisa) to check on and speak with some of the refugees that were willing to come forward and discuss their situations, i.e. being charged \$40 cash for any local transporting to doctor, welfare office, dentist, etc. Also three families told about not receiving some of their Refugee Cash Assistant checks. One member went to the Welfare Fraud Unit and disclosed that their food stamp card had been used for \$361 before they received it. The families were unaware that a person from the Resettlement Center had put her name as authorized person on the Welfare application and could use their cards and cash their checks. When the Center was notified that this individual had come to the Welfare Office to take this person's name off as the authorized person, trouble came to this family. They were turned in 3 times in two weeks as making more money than they had acknowledged. This young Vietnamese lady said that she was told by a member at the Center only to claim what she was paid by check. The person from the Center had gotten her a job with the restaurant and was paid most in cash and some in check. The Vietnamese lady said her parents were threatened that they would receive no more help if she caused any more trouble. Another family that told of many incidents thought it would be held in confidence and when the Center was told all details, they felt as if they had to move to get away from the harsh treatments.

The Bosians that arrived over a month ago were taken to the grocery store with their food card and found no money left. When the Center was questioned about this—\$419 appeared on the card that evening which we think was for the second month. Many people are hoping that freedom will come to these refugees that came from countries where people kept them under control and used monetary means for their own personal use. These refugees say they might as well go back to their country because they have found corruption in the land that is to be free!

Thanks for your help.

Re: Daughter of Mr. Nguyen Te

Dear Mrs. Khuc Minh Tho

I am responding to your letter to Mr. Dick Hogan dated August 12, 1999. I have just come to work with USCC after 8 years with the Orderly Departure Program in Bangkok. I reviewed the information on file for Mr. Nguyen Te and can provide you with the following information.

Mr. Nguyen Te was interviewed by an INS officer on January 14, 1995. Unfortunately, since he was interviewed before April of 1995, his daughter is not eligible under the McCain Amendment. Furthermore, since his daughter has already reached the age of 21, she is not eligible to benefit from a Visa 93 petition. The only option available appears to be through immigrant visa processing. If Mr. Nguyen Te has not already filed an I-130 petition on his daughter's behalf, he should do so as soon as possible.

Regarding the case of V-603275, it appears that the office mistakenly matched this case with an AOR filed by Mr. Nguyen Te on behalf of his daughter. The principal applicant of this case has the same name, but a different date of birth. At no time did she claim to be the daughter of Mr. Nguyen Te. She was eligible for interview under the ROVR program.

The only thing which might give eligibility to Mr. Nguyen Te's daughter is if she too was in a camp of first asylum during the period of Oct. 1, 1995 to June 30, 1996 and somehow her name became merged with that of the refugee on case V-603275. If this is the case, Mr. Nguyen Te should contact Pamela Lewis at:

I regret that I am not able to provide you with a more favorable response.

The Bosians that arrived over a month ago were taken to the grocery store with their food card and found no money left. When the Center was questioned about this--\$419 appeared on the card that evening which we think was for the second month. Many people are hoping that freedom will come to these refugees that came from countries where people kept them under control and used monetary means for their own personal use. These refugees say they might as well go back to their country because they have found corruption in the land that is to be free!

Thanks for your help.

Dear Mrs. Khuc Minh Tho,

Mr. Nguyen Tuong has kept me informed about your help for the refugees here in Central Louisiana. I contacted the State Coordinator, Steve Thibodeaux, November, 1998 and he in turned contacted USCC in Wash., D.C. about reported happenings. USCC sent a lady (Lisa) to check on and speak with some of the refugees that were willing to come forward and discuss their situations, i.e. being charged \$40 cash for any local transporting to doctor, welfare office, dentist, etc. Also three families told about not receiving some of their Refugee Cash Assistant checks. One member went to the Welfare Fraud Unit and disclosed that their food stamp card had been used for \$361 before they received it. The families were unaware that a person from the Resettlement Center had put her name as authorized person on the Welfare application and could use their cards and cash their checks. When the Center was notified that this individual had come to the Welfare Office to take this person's name off as the authorized person, trouble came to this family. They were turned in 3 times in two weeks as making more money than they had acknowledged. This young Vietnamese lady said that she was told by a member at the Center only to claim what she was paid by check. The person from the Center had gotten her a job with the restaurant and was paid most in cash and some in check. The Vietnamese lady said her parents were threatened that they would receive no more help if she caused any more trouble. Another family that told of many incidents thought it would be held in confidence and when the Center was told all details, they felt as if they had to move to get away from the harsh treatments.

Hello Tho,

Sorry for the late reply - I was hoping to get a chance to speak with someone at the office about this case, but it looks as though my friends there are already gone.

Judging from these documents alone, I cannot tell what eligibility Mr. Te's daughter might have, other than the beneficiary of a visa petition. As Brown's letter says, Te was interviewed before the McCain amendment took effect, so she does not qualify as a McCain derivative refugee.

It looks like the AOR Te filed for his daughter was matched up with the file of a ROVR applicant who had the same name and YOB as his daughter - sloppy casework - and the mistake was never noticed, not even AFTER he informed the volag that he knew nothing about the arriving refugee. We have to assume that the girl who was approved under ROVR did indeed have her own eligibility, and her approval had nothing to do with the presence of an AOR from an apparent relative in the file. I hope she likes living in Louisiana - the only reason they sent her there was to be close to her apparent relative Te!

The priority date for 2nd preference visa petitions is early October 1992, so it appears it'll be quite some time before a petition Te may have filed for his daughter sometime after September 1995 is current. Best advice would be for him to try to naturalize as soon as possible - he's eligible late next year.

Any idea why she didn't attend an interview with her father in 1995? I assume she didn't have a exit permit. Why? Was she living away from the family house?

Regardless of the reasons, she needs her own eligibility - not as a derivative refugee - so a petition is the only way to join her father.

Sorry I don't have any more promising news for you. It's a shame to have put Te through the excitement of thinking his daughter was approved - it was a simple mistake, made no doubt by a low-paid file clerk. I wonder how many similar filing errors may have resulted in the denial of eligibility to someone who actually WAS qualified?

That report about corruption in the refugee resettlement office in Louisiana was outrageous, but not all that surprising. I imagine most refugees are fleeing regimes where this kind of thing is common - only to find it here in their "promised land"! I can only hope that these criminals are punished to the extent of the law - too bad deportation is probably not an option!

Regards,

David

On behalf of the Families of Political Prisoners Association (FVPPA) we are writing at the request of Mr. Nguyen Te, who has communicated with us regarding the case of his daughter, Ms. Nguyen Thi Thuy (V-603275).

Mr. Nguyen arrived in the United States in September 1995 under the HO program of ODP for the former Vietnamese political prisoners. After his resettlement in Pineville, Louisiana, he petitioned INS for his daughter to be reunified with him. In the course of pursuing her case in Vietnam, it was discovered that Ms. Nguyen Thi Thuy was unable to obtain a passport, and so informed her father. However, her father learned from USCC that his daughter was arriving at the Alexandria Airport on October 26, 1998. When he informed USCC that his daughter was still in Vietnam, without a passport to travel, he was ignored and informed that he had to pick up his "daughter" in any case.

On behalf of Mr. Nguyen, we ask that your office look into the circumstances of this case and the status of his daughter, who is still in Vietnam. We appreciate any advice and/or assistance you can provide us in terms of how to correct and clear these apparent serious discrepancies in order for these two individuals, Mr. Nguyen and his daughter, to be reunited here in the United States.

Sincerely,

(Mrs.) Khuc Minh Tho
President

The recently-enacted "McCain Amendment" to the Foreign Operations Appropriations Act for Fiscal Year 1997 provides that the children of former Vietnamese reeducation center detainees are to be considered refugees of special humanitarian concern and may be eligible for resettlement in the US if they meet the following criteria:

- (1) The child in Vietnam —
- (A) is the son or daughter of a qualified national; and
 - (B) is 21 years of age or older; and
 - (C) was unmarried as of the date of acceptance of his/her parent's resettlement under the Orderly Departure Program.
- (2) The term 'qualified national' in paragraph (1) means a national of Vietnam who —
- (A) (i) was formerly interned in re-education in Vietnam; or
 - (ii) is the widow or widower of an individual formerly interned in re-education in Vietnam; and
 - (B) (i) qualified for refugee processing under the ODP re-education subprogram; and
 - (ii) on or after April 1, 1995, is accepted —
 - (I) for resettlement in the U.S. as a refugee; or
 - (II) for admission to the U.S. as an immigrant under the Orderly Departure Program.

ODP has reviewed your application and determined that you do not qualify for refugee consideration under the McCain Amendment for the reason(s) indicated below:

- ☒ The principal applicant was approved for refugee status or the issuance of an immigrant visa prior to April 1, 1995. His family members are therefore not covered under the terms of the Amendment.
- ☐ The principal applicant withdrew his refugee application. He and his family members are therefore no longer eligible for refugee consideration and are not covered under the terms of the Amendment.
- ☐ The principal applicant's children were lawfully married at the time of the principal applicant's approval for resettlement in the US. They are therefore not covered under the terms of the Amendment.
- ☐ The principal applicant was approved as a refugee under a category not covered by the Amendment.
- ☐ The principal applicant's children were denied at interview as their relationship to the principal applicant was not established. They are therefore not covered under the terms of the Amendment, unless they can submit sufficient evidence to establish the claimed relationships.

CHỦ TỊCH

Hello, David. Received your E-mail. Thanks for the information/advice. Hope all's fine with you. Will get more information and get back to chat with you. It certainly was an unfortunate mix-up, and I hope it will not ever happen again. Just false hope. Will try to get the gentleman to be prepared to apply for citizenship. Do you know what the backlog for cit. applications at INS is? I was told that it is in the thousands, and to make matters worse, the 10-year expiration of the "new" green card is up next year, meaning INS needs to renew all these green cardholders, which makes it worse for citizen applications. I have another case which appears to be full of complications, and pot full of headaches for me and sorely needs your advice. Will send you the information as soon as I received all the necessary information. I know you are very busy, and I am grateful for your time. Will get back to you soon. Take care.

The recently-enacted "McCain Amendment" to the Foreign Operations Appropriations Act for Fiscal Year 1997 provides that the children of former Vietnamese reeducation center detainees are to be considered refugees of special humanitarian concern and may be eligible for resettlement in the US if they meet the following criteria:

- (1) The child in Vietnam —
- (A) is the son or daughter of a qualified national; and
 - (B) is 21 years of age or older; and
 - (C) was unmarried as of the date of acceptance of his/her parent's resettlement under the Orderly Departure Program.
- (2) The term 'qualified national' in paragraph (1) means a national of Vietnam who —
- (A) (i) was formerly interned in re-education in Vietnam; or
 - (ii) is the widow or widower of an individual formerly interned in re-education in Vietnam; and
 - (B) (i) qualified for refugee processing under the ODP re-education subprogram; and
 - (ii) on or after April 1, 1995, is accepted —
 - (I) for resettlement in the U.S. as a refugee; or
 - (II) for admission to the U.S. as an immigrant under the Orderly Departure Program.

ODP has reviewed your application and determined that you do not qualify for refugee consideration under the McCain Amendment for the reason(s) indicated below:

- ☒ The principal applicant was approved for refugee status or the issuance of an immigrant visa prior to April 1, 1995. His family members are therefore not covered under the terms of the Amendment.
- ☐ The principal applicant withdrew his refugee application. He and his family members are therefore no longer eligible for refugee consideration and are not covered under the terms of the Amendment.
- ☐ The principal applicant's children were lawfully married at the time of the principal applicant's approval for resettlement in the US. They are therefore not covered under the terms of the Amendment.
- ☐ The principal applicant was approved as a refugee under a category not covered by the Amendment.
- ☐ The principal applicant's children were denied at interview as their relationship to the principal applicant was not established. They are therefore not covered under the terms of the Amendment, unless they can submit sufficient evidence to establish the claimed relationships.

Re: V-603275 Nguyen Thi Thuy (dob: Feb 2, 1968)
Arrived October 26, 1998/Alexandria, LA

Nguyen Thi Thuy stated at interview that she had no relatives in the U.S and was willing to resettle anywhere as arranged by the VOLAG. Accordingly, JVA sent RDC the case bio data on August 7, 1998 listing no sponsor.

USCC assured the case to Alexandria, LA on August 26 listing Nguyen Te as sponsor but giving no indication of what the relationship was between PA and sponsor. This office never received an AOR from Nguyen Te or notification from USCC that Nguyen Te wanted to sponsor the case. We could only assume that Nguyen Te was a friend of Nguyen Thi Thuy who had contacted your affiliate in Alexandria and filed a sponsor interest.

Additionally, we have researched our database here and have no record of an applicant with the name Nguyen Thi Thuy, dob: Feb 1, 1968. Nor do we have any record of Nguyen Te being processed through ODP.

We request that, when USCC receives sponsor interest for a case with no sponsor listed on the bio, we are informed accordingly so that we may verify with the PA that he or she wants to resettle near that sponsor.

Thank you for your continued cooperation.

Re: Nguyen Thi Thuy (dob: Feb 1, 1968)

Nguyen Thi Thuy is over 21 years old and therefore not eligible to benefit from a refugee petition (I-730) from her father, Nguyen Te. Please advise Nguyen Te, through your affiliate in Alexandria, LA, that he should file a second preference immigrant visa petition for his daughter and any other unmarried children he may have remaining in Vietnam.

Thanks and regards.

RE: Nguyen, Thi Thuy-Case #V-603275

Per our telephone conversation today regarding the arrival of the above refugee please find attached documentation concerning the daughter of Te Nguyen who was supposed to be the above young lady. As I stated to you the Nguyen Thi Thuy who arrived Monday night October 26, 1998 was not the daughter of Te Nguyen who resides in Pineville, La.

Needless to say the family was very upset and would like to know what has happened now to their daughters case since the wrong person arrived as their daughter. Ms. Nguyen was as surprised as the rest of us because she had never heard of Te Nguyen and has an Uncle who resides in California.

Please advise as soon as possible so we are able to assure Te Nguyen and his wife that their daughter will arrive.

Dear Mrs. Khuc Minh Tho,

Mr. Nguyen Tuong has kept me informed about your help for the refugees here in Central Louisiana. I contacted the State Coordinator, Steve Thibodeaux, November, 1998 and he in turned contacted USCC in Wash., D.C. about reported happenings. USCC sent a lady (Lisa) to check on and speak with some of the refugees that were willing to come forward and discuss their situations, i.e. being charged \$40 cash for any local transporting to doctor, welfare office, dentist, etc. Also three families told about not receiving some of their Refugee Cash Assistant checks. One member went to the Welfare Fraud Unit and disclosed that their food stamp card had been used for \$361 before they received it. The families were unaware that a person from the Resettlement Center had put her name as authorized person on the Welfare application and could use their cards and cash their checks. When the Center was notified that this individual had come to the Welfare Office to take this person's name off as the authorized person, trouble came to this family. They were turned in 3 times in two weeks as making more money than they had acknowledged. This young Vietnamese lady said that she was told by a member at the Center only to claim what she was paid by check. The person from the Center had gotten her a job with the restaurant and was paid most in cash and some in check. The Vietnamese lady said her parents were threatened that they would receive no more help if she caused any more trouble. Another family that told of many incidents thought it would be held in confidence and when the Center was told all details, they felt as if they had to move to get away from the harsh treatments.

The Bosians that arrived over a month ago were taken to the grocery store with their food card and found no money left. When the Center was questioned about this—\$419 appeared on the card that evening which we think was for the second month. Many people are hoping that freedom will come to these refugees that came from countries where people kept them under control and used monetary means for their own personal use. These refugees say they might as well go back to their country because they have found corruption in the land that is to be free!

Thanks for your help.

Re: Daughter of Mr. Nguyen Te

Dear Mrs. Khuc Minh Tho

I am responding to your letter to Mr. Dick Hogan dated August 12, 1999. I have just come to work with USCC after 8 years with the Orderly Departure Program in Bangkok. I reviewed the information on file for Mr. Nguyen Te and can provide you with the following information.

Mr. Nguyen Te was interviewed by an INS officer on January 14, 1995. Unfortunately, since he was interviewed before April of 1995, his daughter is not eligible under the McCain Amendment. Furthermore, since his daughter has already reached the age of 21, she is not eligible to benefit from a Visa 93 petition. The only option available appears to be through immigrant visa processing. If Mr. Nguyen Te has not already filed an I-130 petition on his daughter's behalf, he should do so as soon as possible.

Regarding the case of V-603275, it appears that the office mistakenly matched this case with an AOR filed by Mr. Nguyen Te on behalf of his daughter. The principal applicant of this case has the same name, but a different date of birth. At no time did she claim to be the daughter of Mr. Nguyen Te. She was eligible for interview under the ROVR program.

The only thing which might give eligibility to Mr. Nguyen Te's daughter is if she too was in a camp of first asylum during the period of Oct. 1, 1995 to June 30, 1996 and somehow her name became merged with that of the refugee on case V-603275. If this is the case, Mr. Nguyen Te should contact Pamela Lewis at: Bureau of Population and Refugee Migration

I regret that I am not able to provide you with a more favorable response.

On behalf of the Families of Political Prisoners Association (FVPPA) we are writing at the request of Mr. Nguyen Te, who has communicated with us regarding the case of his daughter, Ms. Nguyen Thi Thuy (V-603275).

Mr. Nguyen arrived in the United States in September 1995 under the HO program of ODP for the former Vietnamese political prisoners. After his resettlement in Pineville, Louisiana, he petitioned INS for his daughter to be reunified with him. In the course of pursuing her case in Vietnam, it was discovered that Ms. Nguyen Thi Thuy was unable to obtain a passport, and so informed her father. However, her father learned from USCC that his daughter was arriving at the Alexandria Airport on October 26, 1998. When he informed USCC that his daughter was still in Vietnam, without a passport to travel, he was ignored and informed that he had to pick up his "daughter" in any case.

On behalf of Mr. Nguyen, we ask that your office look into the circumstances of this case and the status of his daughter, who is still in Vietnam. We appreciate any advice and/or assistance you can provide us in terms of how to correct and clear these apparent serious discrepancies in order for these two individuals, Mr. Nguyen and his daughter, to be reunited here in the United States.

To: Dick
Re: V-603275 Nguyen Thi Thuy
Date: 31 August 1999

I want to update you on the a/m case. The mistake could have been done in our office when DP matched the AOR with the bio on this case or in RDC, the girls have the same name but different dates of birth. After the arrival of this girl, USCC sent a fax to ODP for clarification. The answer was that the girl that had arrived did not state at her interview that she had relatives in the US. ODP received our assurance as anchor case and thought that Mr. Nguyen TE was a friend. ODP advised diocese/Mr. Nugyen Te to file an immigrant petition visa I-130 if his daughter is not married.

All ODP faxes were sent to the diocese and they informed Mr. Nguyen accordingly.

I also discussed this case with Anastasia, we both looked through ODP faxes, filing an immigrant petition visa is the only way to join her father.

Tôi đã bỏ tức hồ sơ nhờ hội USCC tại Pineville chuyển cho ODP Thái Lan cứu xét, đã hơn 3 năm mà chưa có kết quả.

Đến ngày 21-8-98, tôi nhận được giấy báo của USCC, con gái là Nguyễn - Thị - Thủy được xuất cảnh và sẽ đến phi trường Alexandria vào hồi 21.55 ngày 26-10-98. Tên họ, năm sinh của mẹ đều đúng, mà không phải con tôi. Tôi liền điện thoại về V.N hỏi thì được biết con tôi chưa được phóng vấn và chưa có gì hết.

Đây là một sự lầm lẫn, hay là người ta cố ý tạo hồ sơ con tôi, làm cho gia đình tôi phải đau khổ và thất vọng. Kính mong giúp đỡ can thiệp cho con tôi sớm đoàn tụ với gia đình. Tôi cũng đã gọi điện và hồ sơ đang ODP Thái Lan ngày 2-3-99.

The recently-enacted "McCain Amendment" to the Foreign Operations Appropriations Act for Fiscal Year 1997 provides that the children of former Vietnamese reeducation center detainees are to be considered refugees of special humanitarian concern and may be eligible for resettlement in the US if they meet the following criteria:

(1) The child in Vietnam ---

- (A) is the son or daughter of a qualified national; and
- (B) is 21 years of age or older; and
- (C) was unmarried as of the date of acceptance of his/her parent's resettlement under the Orderly Departure Program.

(2) The term 'qualified national' in paragraph (1) means a national of Vietnam who ---

- (A) (i) was formerly interned in re-education in Vietnam; or
(ii) is the widow or widower of an individual formerly interned in re-education in Vietnam; and
- (B) (i) qualified for refugee processing under the ODP re-education subprogram; and
(ii) on or after April 1, 1995, is accepted ---
 - (I) for resettlement in the U.S. as a refugee; or
 - (II) for admission to the U.S. as an immigrant under the Orderly Departure Program.

ODP has reviewed your application and determined that you do not qualify for refugee consideration under the McCain Amendment for the reason(s) indicated below:

- ☒ The principal applicant was approved for refugee status or the issuance of an immigrant visa prior to April 1, 1995. His family members are therefore not covered under the terms of the Amendment.
- ☐ The principal applicant withdrew his refugee application. He and his family members are therefore no longer eligible for refugee consideration and are not covered under the terms of the Amendment.
- ☐ The principal applicant's children were lawfully married at the time of the principal applicant's approval for resettlement in the US. They are therefore not covered under the terms of the Amendment.
- ☐ The principal applicant was approved as a refugee under a category not covered by the Amendment.
- ☐ The principal applicant's children were denied at interview as their relationship to the principal applicant was not established. They are therefore not covered under the terms of the Amendment, unless they can submit sufficient evidence to establish the claimed relationships.

On behalf of Mr. Nguyen, we ask that your office look into the circumstances of this case and the status of his daughter, who is still in Vietnam. We appreciate any advice and/or assistance you can provide us in terms of how to correct and clear these apparent serious discrepancies in order for these two individuals, Mr. Nguyen and his daughter, to be reunited here in the United States.

Re: Daughter of Mr. Nguyen Te

Dear Mrs. Khuc Minh Tho

I am responding to your letter to Mr. Dick Hogan dated August 12, 1999. I have just come to work with USCC after 8 years with the Orderly Departure Program in Bangkok. I reviewed the information on file for Mr. Nguyen Te and can provide you with the following information.

Mr. Nguyen Te was interviewed by an INS officer on January 14, 1995. Unfortunately, since he was interviewed before April of 1995, his daughter is not eligible under the McCain Amendment. Furthermore, since his daughter has already reached the age of 21, she is not eligible to benefit from a Visa 93 petition. The only option available appears to be through immigrant visa processing. If Mr. Nguyen Te has not already filed an I-130 petition on his daughter's behalf, he should do so as soon as possible.

Regarding the case of V-603275, it appears that the office mistakenly matched this case with an AOR filed by Mr. Nguyen Te on behalf of his daughter. The principal applicant of this case has the same name, but a different date of birth. At no time did she claim to be the daughter of Mr. Nguyen Te. She was eligible for interview under the ROVR program.

The only thing which might give eligibility to Mr. Nguyen Te's daughter is if she too was in a camp of first asylum during the period of Oct. 1, 1995 to June 30, 1996 and somehow her name became merged with that of the refugee on case V-603275. If this is the case, Mr. Nguyen Te should contact Pamela Lewis at:

Bureau of Population and Refugee Migration
Department of State
SA-1 Suite L505
Washington, D.C. 20522-0105

I regret that I am not able to provide you with a more favorable response.

Sincerely,

Date: 29 JUN 1999

File Number: U-108660 NGUYEN TE

The recently-enacted "McCain Amendment" to the Foreign Operations Appropriations Act for Fiscal Year 1997 provides that the children of former Vietnamese reeducation center detainees are to be considered refugees of special humanitarian concern and may be eligible for resettlement in the US if they meet the following criteria:

(1) The child in Vietnam —

- (A) is the son or daughter of a qualified national; and
- (B) is 21 years of age or older; and
- (C) was unmarried as of the date of acceptance of his/her parent's resettlement under the Orderly Departure Program.

(2) The term 'qualified national' in paragraph (1) means a national of Vietnam who —

- (A) (i) was formerly interned in re-education in Vietnam; or
(ii) is the widow or widower of an individual formerly interned in re-education in Vietnam; and
- (B) (i) qualified for refugee processing under the ODP re-education subprogram; and
(ii) on or after April 1, 1995, is accepted —
 - (I) for resettlement in the U.S. as a refugee; or
 - (II) for admission to the U.S. as an immigrant under the Orderly Departure Program.

ODP has reviewed your application and determined that you do not qualify for refugee consideration under the McCain Amendment for the reason(s) indicated below:

- ☒ The principal applicant was approved for refugee status or the issuance of an immigrant visa prior to April 1, 1995. His family members are therefore not covered under the terms of the Amendment.
- ☐ The principal applicant withdrew his refugee application. He and his family members are therefore no longer eligible for refugee consideration and are not covered under the terms of the Amendment.
- ☐ The principal applicant's children were lawfully married at the time of the principal applicant's approval for resettlement in the US. They are therefore not covered under the terms of the Amendment.
- ☐ The principal applicant was approved as a refugee under a category not covered by the Amendment.
- ☐ The principal applicant's children were denied at interview as their relationship to the principal applicant was not established. They are therefore not covered under the terms of the Amendment, unless they can submit sufficient evidence to establish the claimed relationships.

Dear Mrs. Khuc Minh Tho,

Mr. Nguyen Tuong has kept me informed about your help for the refugees here in Central Louisiana. I contacted the State Coordinator, Steve Thibodeaux, November, 1998 and he in turned contacted USCC in Wash., D.C. about reported happenings. USCC sent a lady (Lisa) to check on and speak with some of the refugees that were willing to come forward and discuss their situations, i.e. being charged \$40 cash for any local transporting to doctor, welfare office, dentist, etc. Also three families told about not receiving some of their Refugee Cash Assistant checks. One member went to the Welfare Fraud Unit and disclosed that their food stamp card had been used for \$361 before they received it. The families were unaware that a person from the Resettlement Center had put her name as authorized person on the Welfare application and could use their cards and cash their checks. When the Center was notified that this individual had come to the Welfare Office to take this person's name off as the authorized person, trouble came to this family. They were turned in 3 times in two weeks as making more money than they had acknowledged. This young Vietnamese lady said that she was told by a member at the Center only to claim what she was paid by check. The person from the Center had gotten her a job with the restaurant and was paid most in cash and some in check. The Vietnamese lady said her parents were threatened that they would receive no more help if she caused any more trouble. Another family that told of many incidents thought it would be held in confidence and when the Center was told all details, they felt as if they had to move to get away from the harsh treatments.

The Bosians that arrived over a month ago were taken to the grocery store with their food card and found no money left. When the Center was questioned about this—\$419 appeared on the card that evening which we think was for the second month. Many people are hoping that freedom will come to these refugees that came from countries where people kept them under control and used monetary means for their own personal use. These refugees say they might as well go back to their country because they have found corruption in the land that is to be free!

Thanks for your help.

Re: Daughter of Mr. Nguyen Te

Dear Mrs. Khuc Minh Tho

I am responding to your letter to Mr. Dick Hogan dated August 12, 1999. I have just come to work with USCC after 8 years with the Orderly Departure Program in Bangkok. I reviewed the information on file for Mr. Nguyen Te and can provide you with the following information.

Mr. Nguyen Te was interviewed by an INS officer on January 14, 1995. Unfortunately, since he was interviewed before April of 1995, his daughter is not eligible under the McCain Amendment. Furthermore, since his daughter has already reached the age of 21, she is not eligible to benefit from a Visa 93 petition. The only option available appears to be through immigrant visa processing. If Mr. Nguyen Te has not already filed an I-130 petition on his daughter's behalf, he should do so as soon as possible.

Regarding the case of V-603275, it appears that the office mistakenly matched this case with an AOR filed by Mr. Nguyen Te on behalf of his daughter. The principal applicant of this case has the same name, but a different date of birth. At no time did she claim to be the daughter of Mr. Nguyen Te. She was eligible for interview under the ROVR program.

The only thing which might give eligibility to Mr. Nguyen Te's daughter is if she too was in a camp of first asylum during the period of Oct. 1, 1995 to June 30, 1996 and somehow her name became merged with that of the refugee on case V-603275. If this is the case, Mr. Nguyen Te should contact Pamela Lewis at: Bureau of Population and Refugee Migration

Department of State
SA-1 Suite L505
Washington, D.C. 20522-0105

I regret that I am not able to provide you with a more favorable response.

Sincerely,

On behalf of the Families of Political Prisoners Association (FVPPA) we are writing at the request of Mr. Nguyen Te, who has communicated with us regarding the case of his daughter, Ms. Nguyen Thi Thuy (V-603275).

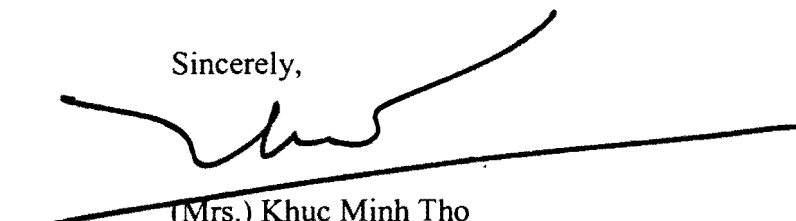

Mr. Nguyen arrived in the United States in September 1995 under the HO program of ODP for the former Vietnamese political prisoners. After his resettlement in Pineville, Louisiana, he petitioned INS for his daughter to be reunified with him. In the course of pursuing her case in Vietnam, it was discovered that Ms. Nguyen Thi Thuy was unable to obtain a passport, and so informed her father. However, her father learned from USCC that his daughter was arriving at the Alexandria Airport on October 26, 1998. When he informed USCC that his daughter was still in Vietnam, without a passport to travel, he was ignored and informed that he had to pick up his "daughter" in any case.

Re: V-603275 Nguyen Thi Thuy
Date: 31 August 1999

I want to update you on the a/m case. The mistake could have been done in our office when DP matched the AOR with the bio on this case or in RDC, the girls have the same name but different dates of birth. After the arrival of this girl, USCC sent a fax to ODP for clarification. The answer was that the girl that had arrived did not state at her interview that she had relatives in the US. ODP received our assurance as anchor case and thought that Mr. Nguyen TE was a friend. ODP advised diocese/Mr. Nugyen Te to file an immigrant petition visa I-130 if his daughter is not married.

All ODP faxes were sent to the diocese and they informed Mr. Nguyen accordingly.

I also discussed this case with Anastasia, we both looked through ODP faxes, filing an immigrant petition visa is the only way to join her father.

Tôi đã bỏ túc hồ sơ nhờ hội USCC tại Pineville chuyển cho ODP Thái Lan cứu xét, đã hơn 3 năm mà chưa có kết quả.

Đến ngày 21-8-98, tôi nhận được giấy báo của USCC, con gái là Nguyễn - Thị - Thúy được xuất cảnh và sẽ đến phi trường Alexandria vào hồi 21.55 ngày 26-10-98. Tên họ, năm sinh của mẹ đều đúng, mà không phải con tôi. Tôi liền điện thoại về V.N hỏi thì được biết con tôi chưa được phóng viên và chưa có gì hết.

Đây là một sự lầm lẫn, hay là người ta có ý tráo hồ sơ con tôi, làm cho gia đình tôi phải đau khổ và thất vọng. Kính mong quý vị giúp đỡ can thiệp cho con tôi sớm đoàn tụ với gia đình. Tôi cũng đã gọi điện và hồ sơ đang ODP Thái Lan ngày 2-3-99.

The recently-enacted "McCain Amendment" to the Foreign Operations Appropriations Act for Fiscal Year 1997 provides that the children of former Vietnamese reeducation center detainees are to be considered refugees of special humanitarian concern and may be eligible for resettlement in the US if they meet the following criteria:

(1) The child in Vietnam --

- (A) is the son or daughter of a qualified national; and
- (B) is 21 years of age or older; and
- (C) was unmarried as of the date of acceptance of his/her parent's resettlement under the Orderly Departure Program.

(2) The term 'qualified national' in paragraph (1) means a national of Vietnam who --

- (A) (i) was formerly interned in re-education in Vietnam; or
- (ii) is the widow or widower of an individual formerly interned in re-education in Vietnam; and
- (B) (i) qualified for refugee processing under the ODP re-education subprogram; and
- (ii) on or after April 1, 1995, is accepted --
 - (I) for resettlement in the U.S. as a refugee; or
 - (II) for admission to the U.S. as an immigrant under the Orderly Departure Program.

ODP has reviewed your application and determined that you do not qualify for refugee consideration under the McCain Amendment for the reason(s) indicated below:

- ☒ The principal applicant was approved for refugee status or the issuance of an immigrant visa prior to April 1, 1995. His family members are therefore not covered under the terms of the Amendment.
- ☐ The principal applicant withdrew his refugee application. He and his family members are therefore no longer eligible for refugee consideration and are not covered under the terms of the Amendment.
- ☐ The principal applicant's children were lawfully married at the time of the principal applicant's approval for resettlement in the US. They are therefore not covered under the terms of the Amendment.
- ☐ The principal applicant was approved as a refugee under a category not covered by the Amendment.
- ☐ The principal applicant's children were denied at interview as their relationship to the principal applicant was not established. They are therefore not covered under the terms of the Amendment, unless they can submit sufficient evidence to establish the claimed relationships.

Re: Daughter of Mr. Nguyen Te

V# 108 660

Dear Mrs. Khuc Minh Tho

I am responding to your letter to Mr. Dick Hogan dated August 12, 1999. I have just come to work with USCC after 8 years with the Orderly Departure Program in Bangkok. I reviewed the information on file for Mr. Nguyen Te and can provide you with the following information.

Mr. Nguyen Te was interviewed by an INS officer on January 14, 1995. Unfortunately, since he was interviewed before April of 1995, his daughter is not eligible under the McCain Amendment. Furthermore, since his daughter has already reached the age of 21, she is not eligible to benefit from a Visa 93 petition. The only option available appears to be through immigrant visa processing. If Mr. Nguyen Te has not already filed an I-130 petition on his daughter's behalf, he should do so as soon as possible.

Regarding the case of V-603275, it appears that the office mistakenly matched this case with an AOR filed by Mr. Nguyen Te on behalf of his daughter. The principal applicant of this case has the same name, but a different date of birth. At no time did she claim to be the daughter of Mr. Nguyen Te. She was eligible for interview under the ROVR program.

The only thing which might give eligibility to Mr. Nguyen Te's daughter is if she too was in a camp of first asylum during the period of Oct. 1, 1995 to June 30, 1996 and somehow her name became merged with that of the refugee on case V-603275. If this is the case, Mr. Nguyen Te should contact Pamela Lewis at: Bureau of Population and Refugee Migration

Department of State
SA-1 Suite L505
Washington, D.C. 20522-0105

I regret that I am not able to provide you with a more favorable response.

Sincerely,

Anastasia K. Brown

Mr. Nguyen arrived in the United States in September 1995 under the HO program of ODP for the former Vietnamese political prisoners. After his resettlement in Pineville, Louisiana, he petitioned INS for his daughter to be reunified with him. In the course of pursuing her case in Vietnam, it was discovered that Ms. Nguyen Thi Thuy was unable to obtain a passport, and so informed her father. However, her father learned from USCC that his daughter was arriving at the Alexandria Airport on October 26, 1998. When he informed USCC that his daughter was still in Vietnam, without a passport to travel, he was ignored and informed that he had to pick up his "daughter" in any case.

On behalf of Mr. Nguyen, we ask that your office look into the circumstances of this case and the status of his daughter, who is still in Vietnam. We appreciate any advice and/or assistance you can provide us in terms of how to correct and clear these apparent serious discrepancies in order for these two individuals, Mr. Nguyen and his daughter, to be reunited here in the United States.

Sincerely,

To: Dick
Re: V-603275 Nguyen Thi Thuy
Date: 31 August 1999

I want to update you on the a/m case. The mistake could have been done in our office when DP matched the AOR with the bio on this case or in RDC, the girls have the same name but different dates of birth. After the arrival of this girl, USCC sent a fax to ODP for clarification. The answer was that the girl that had arrived did not state at her interview that she had relatives in the US. ODP received our assurance as anchor case and thought that Mr. Nguyen TE was a friend. ODP advised diocese/Mr. Nugyen Te to file an immigrant petition visa I-130 if his daughter is not married.

All ODP faxes were sent to the diocese and they informed Mr. Nguyen accordingly.

I also discussed this case with Anastasia, we both looked through ODP faxes, filing an immigrant petition visa is the only way to join her father.

Kính thưa Bà.

Tôi là Nguyễn Tề, sinh 1940 Điện Ho H37.755, được tự nạn tại Hoa Kỳ ngày 11-8-1995. Hiện ngụ tại 521^B Lakeview, Pineville

Con gái tôi là Nguyễn - Thị - Thủy, sinh ngày 1-2-1968, còn độc thân vì quá 21 tuổi và phải lánh nạn về ở với Bà Ngoại, khi tôi bị bắt giam cầm trong lao tù Cộng sản, nên không có tên trong sổ khố lúc tôi được phóng viên, đành phải rút lại. Hiện đang ngụ tại Thôn Ba, xã Cẩm Nam, thị xã Hội An.

Tôi đã bỏ túc hồ sơ nhờ hội USCC tại Pineville chuyển cho ODP Thái Lan xử lý, đã hơn 3 năm mà chưa có kết quả.

Đến ngày 21-8-98, tôi nhận được giấy báo của USCC, con gái là Nguyễn - Thị - Thủy được xuất cảnh và sẽ đến phi trường Alexandria vào hồi 21.55 ngày 26-10-98. Tên họ, năm sinh chỉ mẹ đều đúng, mà không phải con tôi. Tôi liền điện thoại về V.N hỏi thì được biết con tôi chưa được phóng viên và chưa có gì hết.

Đây là một sự lầm lẫn, hay là người ta cố ý tạo hồ sơ con tôi, làm cho gia đình tôi phải đau khổ và thất vọng. Kính mong quý vị giúp đỡ Can thiệp cho con tôi sớm đoàn tụ với gia đình. Tôi cũng đã rời đồn và hồ sơ đang ODP Thái Lan ngày 2-3-99.

The recently-enacted "McCain Amendment" to the Foreign Operations Appropriations Act for Fiscal Year 1997 provides that the children of former Vietnamese reeducation center detainees are to be considered refugees of special humanitarian concern and may be eligible for resettlement in the US if they meet the following criteria:

(1) The child in Vietnam —

- (A) is the son or daughter of a qualified national; and
- (B) is 21 years of age or older; and
- (C) was unmarried as of the date of acceptance of his/her parent's resettlement under the Orderly Departure Program.

(2) The term 'qualified national' in paragraph (1) means a national of Vietnam who —

- (A) (i) was formerly interned in re-education in Vietnam; or
(ii) is the widow or widower of an individual formerly interned in re-education in Vietnam; and
- (B) (i) qualified for refugee processing under the ODP re-education subprogram; and
(ii) on or after April 1, 1995, is accepted —
 - (I) for resettlement in the U.S. as a refugee; or
 - (II) for admission to the U.S. as an immigrant under the Orderly Departure Program.

ODP has reviewed your application and determined that you do not qualify for refugee consideration under the McCain Amendment for the reason(s) indicated below:

- ☒ The principal applicant was approved for refugee status or the issuance of an immigrant visa prior to April 1, 1995. His family members are therefore not covered under the terms of the Amendment.
- ☐ The principal applicant withdrew his refugee application. He and his family members are therefore no longer eligible for refugee consideration and are not covered under the terms of the Amendment.
- ☐ The principal applicant's children were lawfully married at the time of the principal applicant's approval for resettlement in the US. They are therefore not covered under the terms of the Amendment.
- ☐ The principal applicant was approved as a refugee under a category not covered by the Amendment.
- ☐ The principal applicant's children were denied at interview as their relationship to the principal applicant was not established. They are therefore not covered under the terms of the Amendment, unless they can submit sufficient evidence to establish the claimed relationships.

Dear Mrs. Khuc Minh Tho,

Mr. Nguyen Tuong has kept me informed about your help for the refugees here in Central Louisiana. I contacted the State Coordinator, Steve Thibodeaux, November, 1998 and he in turned contacted USCC in Wash., D.C. about reported happenings. USCC sent a lady (Lisa) to check on and speak with some of the refugees that were willing to come forward and discuss their situations, i.e. being charged \$40 cash for any local transporting to doctor, welfare office, dentist, etc. Also three families told about not receiving some of their Refugee Cash Assistant checks. One member went to the Welfare Fraud Unit and disclosed that their food stamp card had been used for \$361 before they received it. The families were unaware that a person from the Resettlement Center had put her name as authorized person on the Welfare application and could use their cards and cash their checks. When the Center was notified that this individual had come to the Welfare Office to take this person's name off as the authorized person, trouble came to this family. They were turned in 3 times in two weeks as making more money than they had acknowledged. This young Vietnamese lady said that she was told by a member at the Center only to claim what she was paid by check. The person from the Center had gotten her a job with the restaurant and was paid most in cash and some in check. The Vietnamese lady said her parents were threatened that they would receive no more help if she caused any more trouble. Another family that told of many incidents thought it would be held in confidence and when the Center was told all details, they felt as if they had to move to get away from the harsh treatments.

The Bosians that arrived over a month ago were taken to the grocery store with their food card and found no money left. When the Center was questioned about this--\$419 appeared on the card that evening which we think was for the second month. Many people are hoping that freedom will come to these refugees that came from countries where people kept them under control and used monetary means for their own personal use. These refugees say they might as well go back to their country because they have found corruption in the land that is to be free!

Thanks for your help.

TE NGUYEN

Dear Mr. Nguyen:

This refers to the Refugee/Asylee Relative Petition filed by you on November 3, 1997, on behalf of Thuy Thi NGUYEN, under section 207 of the Immigration and Naturalization Act, as amended.

To be eligible for classification as a following-to-join relative under Section 207 of the Act, the relationship between the petitioner and the beneficiary must have existed prior to the petitioner's admission to the United States as a refugee, and the relationship must continue to exist.

Title 8, Code of Federal Regulations, part 207.1(e) states in pertinent part:

The spouse or child (as defined in section 101(b)(1)(A), (B), (C), (D), or (E) of the Act) of any refugee who qualifies for admission, shall if not otherwise entitled to admission and if not a person described in the second sentence of section 101(a)(42) of the Act, be entitled to the same status as such refugee if accompanying or following to join such refugee.

Section 101(b)(1) of the Act states in pertinent part:

The term "child" means an unmarried person under twenty-one years of age (emphasis added) who is--

- (A) a legitimate child;
- (B) a stepchild, whether or not born out of wedlock, provided the child had not reached the age of eighteen years at the time the marriage creating the status of stepchild occurred;

- (C) a child legitimated under the law of the child's residence or domicile, or under the law of the father's residence or domicile, whether in or outside the United States, if such legitimation takes place before the child reaches the age of eighteen years and the child is in the legal custody of the legitimating parent or parents at the time of such legitimation;
- (D) an illegitimate child, by, through whom, or on whose behalf a status, privilege, or benefit is sought by virtue of the relationship of the child to its natural mother or to its natural father if the father has or had a bona fide parent/child relationship with the person;

The evidence of record indicates that the beneficiary was born on February 1, 1968, and that the beneficiary reached the age of twenty-one on February 1, 1989. Since the beneficiary is over the age of twenty one, the beneficiary can no longer qualify as a "child" for the purposes of classification as a following-to-join relative under Section 207 of the Act, and this petition may not be approved on her behalf.

Please note that as a lawful permanent resident of the United States you are eligible to file Form I-130, Petition for Alien Relative, on behalf of the beneficiary. Form I-130 must be submitted with the proper fee and documentation to establish the relationship. If you have any questions about Form I-130, please contact your local Immigration Service office.

In view of the above, this petition must be and hereby is denied.

This denial may not be appealed. However, if you believe that you can overcome the grounds for denial, you may submit a new petition with the appropriate documentation to this office.

Sincerely,

Natalie Vedder
Director
