INSTRUCTIONS

Enclosed is a Letter of Introduction which you should send to your relatives in Vietnam to help them obtain Exit Permits from the Vietnamese authorities. To the best of our knowledge they should first apply at the People's Committee of the district or village in which they live. They should present this Letter of Introduction when they apply.

We have already included the names of your relatives on a list of persons whom we have conditionally accepted for movement to Thailand, where they can apply for admission to the United States. We sent this list to the United Nations High Commissioner for Refugees (UNHCR), to be passed to the Vietnamese authorities. This list will not be available to the local authorities where your relatives live, but your relatives' number on that list is given in the enclosed Letter of Introduction.

Please understand that a Letter of Introduction does not guarantee that your relatives will receive exit permission. The Vietnamese authorities in Hanoi have asked us to provide such letters, but the local authorities may not always act on them. We have no control over the Vietnamese authorities at any level. At this point, we (and you) have done all we can do; getting an Exit Permit depends now on your relatives and the Vietnamese authorities. Your relatives may have to apply several times. There is nothing we can do to help.

Please keep us informed of any change in your address, or in the address of the persons named in the Letter of Introduction. Always refer to their file (IV) numbers when you communicate with us.

Once Exit Permits have been issued your relatives should ask for an interview by the UNHCR, and a medical examination. Our address when writing from the United States is:

American Embassy - Box 58

Our address when writing from Vietnam is:
