Dear Madam,

My name is Nguyễn văn Khang, a former political prisoner of vietnamese communist regime. I am currently residing at Union City, CA. 94587-USA.

Before April 1975, I was a First Lieutenant in the armed forces of the Republic of VietNam. After the communists came to power, I was imprisoned in a re-education camp from 1975 to 1981.

Because of that experience I have been admitted to the United States on December 1995 in accordance with a subprogram of the ODP program for former political prisoners under a bilateral Agreement between VietNam and United States. While I am grateful for the chance to resettle in the United States, my resettlement has been made extremely difficult on account of the fact that the following unmaried children of mine have been rejected for resettlement despite the past that for many years the unmarried children were permitted to accompany their parents who were former political prisoners.

3/ Nguyễn Vu Thanh Phương 1970
4/ Nguyễn Vu Kim Nga 1973.

Thus, I hope that you can help me so that our family could be together again. In particular,

may I urge that you give your support to Section 595 of the Foreign Operation Appropriation Bill H.R. 3540 offered by Senator John McCain and enacted by the Senate on July 26, 1996. The bill will be considered by the Conference Committee in early September 1996. By making sure that this Section remains in the final Act, you will be helping many families of former Vietnamese political prisoners who are in the same sad situation as mine.

Many, many thanks for your kind assistance.

Sincerely,

Nguyễn văn Khang.
