Dear KHUC MINH THO

This is in response to your inquiry of APR 7, 89 regarding the above mentioned ODP applicants.

This case is based on a FIFTH Preference Immigrant Visa petition filed on DEC 20, 84. ODP is currently reviewing for issuance of a Letter of Introduction (LOI) FIFTH Preference petitions which were filed prior to JUN 22, 88 which is the current date for issuance of visas for this type of petition. The case will be reviewed when the filing date is near current. If at the time of review all documents are in order, an LOI will be issued. If further information or documentation is required, the U.S. sponsor will be notified. No further action will be taken on this case until it is ready for LOI review.

If anyone on this case has spent time in a reeducation camp as a result of his/her close association with U.S. policy and programs in Vietnam, a clear copy of their reeducation camp release should be sent for inclusion in the file. If anyone on the case was employed by the U.S. government in Vietnam or had other close association with U.S. policy and programs in Vietnam, information regarding this association should also be sent. While we are not currently issuing LOI's to such cases unless they also spent time in reeducation, this policy may change in the future.

If the applicants on this case should appear on a list of names presented by the Vietnamese indicating that they will be available for interview, their eligibility for the program will be considered at that time.

Please assure that ODP is kept apprised of any address or family composition changes relating to this case.

Sincerely,
