Dear Mr. Drinen:

This is to acknowledge receipt by our Association of your letter regarding Pham Thi Truong.

I have enclosed several forms that should be completed, that we use in our Association, that we have found very helpful in securing the release of our loved ones. Also, please check with the Catholic Charities of the Diocese in your jurisdiction because they have a prepared form and application for ODP. That organization has been of invaluable assistance to our Association also. In the section of their application that says: "Additional Information:" you will be well advised to be sure to write something quite substantial in that while a written statement is not necessary it is also very helpful to have the additional information in which you presented to me in your letter regarding the hardships and torture and threats of further imprisonment.

I would like to request that you send our Association a complete set of the forms and information which you have already completed so that should it become necessary for our assistance we will have a complete file on Truong.

We hope that this information will be helpful to you and that you will find the Catholic Charities of the Diocese of your jurisdiction of assistance. Should you require additional information or if we can be of further assistance, please do not hesitate to contact us.

Dear Mrs. KHUÛC MINH THỎ,

The enclosed is being forwarded to you on behalf of Pham Thi Truong. I have known her since 1969 when we worked together at the medical dispensary in Phouc Vinh. She is an exceptional person. Her studies at the University of Saigon were interrupted by the war. She was in the faculty of letters and is fluent in English and French. Because of her employment by the U. S. Army and Pacific Architects and Engineers she has subsequently been imprisoned twice by the communists. Her life is now in danger for a third arrest seems imminent. She has no work permit, no housing permit and no medical permit. She has to move from place to place.

Truong's family had to move from N. Vietnam when the French withdrew from Indo China. He was a manager for a rubber plantation. Truong's brother was killed in service as a lieutenant for the R.V.N. Army. Now, only Truong and her sisters are left with their mother.

My family and I would like to sponsor
Truong's immigration to the United States.
We know very little about this, but the
main hinderance seems to be getting
Truong out of Vietnam.

We have sent copies of the enclosed
to Mr. Collins with O.D.P. We have also
sent the same to Senator Dennis DeConcini
of Arizona. Truong's letters have become
quite desperate in the last year.
What can we do to help her?

We have told Truong that we would even
pay for an escape, if we see that she is
safe in a free country. We do not want
any contact with criminals. We do not
want Truong to be near pirates.

Perhaps there are good people who will
help Truong become free. Should she
take such a grave chance, since O.D.P.
is not allowing people out of Vietnam
(none since January, 1986 due to a unilateral
lack of cooperation by the Socialist Republic
of Vietnam)?

We would welcome any advice or further
communication with you. We will remain
faithful to this cause throughout our lives.
Please do not forget about this case.

Thank you.

Dearest Gordon.

I was almost mad when I got your letter which took nearly 7 months to reach me. The correspondence now is so slow, that's the reason my letter hasn't come there yet.

I did get your first letter in June, 1965. I replied immediately because I was too happy. Your recent letter made me wonder if you got it yet. You know everything is slow now, especially mail from U.S. Your letters will have to be here and there at least for 4 months before they come to my hands!

You must have got my letter by this time, if not, there must have been something wrong. The communication is possible but it is not as it should be for some reason or others. Sometimes our letters are lost or kept somewhere even we have to pay much for each. You can never imagine a civil servant whose salary is about £500 sterling must save his money for several months before he wants to send a letter outward. The postage is too high and may raise at any time.

I have told you in details what has happened to me, but I doubt if you got my letter. After you left me in 1972, I still worked in Saigon for some time at the Shipyard; then I came to work for the ICSS (the International Commission of Control and Supervision) until 1975. After that, I was arrested and put in jail twice being suspected an agent of CIA, as I had worked for Americans and foreigners of different nationalities. Now I am terribly unhappy! I have been really terrified by the orders they dictated when they came to get me. I feel I'm not safe for they may come back some day and do the same thing when they think it's necessary.

I want to get out of this country as soon as I can, and at any price. At the present time, I am penniless, I could not escape over border (by sea) because such trip would cost at least 3 tails (if we pay here) or about 3,000 dollars (if we pay there); moreover different sorts of dangers may come from the government and on the way. Should a person like me be caught and more you can surely guess what will happen. For these reasons, as a true friend I believe you will never misunderstand me. I will make here several silly suggestions.

First, please contact the ODP office (Ordinary Departure program) and see what they can do to my case. After you get your answer, please let me know what I must do.

each here

Your letters showed me that you are still a true friend of mine even though I'd caused you
 sorrow. Now you have forgiven and even still call me "friend". I can't tell you everything on
 this regular size paper but you will know more later. You, alone, cannot help me ~~now~~ effectively
 you should contact those following men:

- Hry. Gen. Ram Bang Samanthi

Djakarta, Indon.

(He knew me and my sister LAM well. He was her boss when he was here as the Head of Indonesian Delegation to the IACS)

Col. Sutardjo [redacted] Bandung, Indonesia. (He was my note
man and a great friend of mine. Tell him we want to get out. He'll make best plans.)

— Doctor John E. Gaines: "You don't know his address, I need his certification as to last all kinds of papers. The CDP official may check with him."

— Father Levin Michael D'Esposito - Connecticut - (He was in C-228 on C-227 1st Air
Cavalry Division 1969 in Phuoc Ninh. He was Catholic Chaplain (Capt) He loved me as his
God daughter. The Catholic organization known as CARITAS has done much for the believers
here. If it's not too much trouble for you, write to him to see what he can do.

- Major protestant Chaplain Stanley C. Mitter : Chicago (he belonged to 11th St 1970
and was Jewish friend

Mr. David van Lan : NSW 2166 Australia (He was my teacher. As he's Vietnamese he can do nothing to help but he's willing to do anything from now on. My letters to me please send to him. I'll forward them to me. You should know that a letter from Australia sometimes takes a long time to reach here. Besides the one from a Vietnamese may not be checked carefully. His name knew me from my early childhood how he's my middle man to make our correspondence safe. I'd change the middleman when necessary. About me you can write to him to get more information, if you want. You don't have to write to my cousin anymore as he doesn't know English well.

I'm living now in Bida with my sister, the one you saw in Saigon with my mother. As I'm a
homeless homeless friendless penniless I have no fixed address. There we use may change
anytime when it's no longer safe. But Mr. Hoan will know the mailing address. All my belongings are
perished. I'm making my living by teaching English and doing bookery. This is really a hard job
but I feel better being free from government office. You may call me a little plain, but now
for my Achanika. I'm sometimes proud of the experience I've possessed which is not
many men could of. However I don't want to be shamefully seen.

I already sent you my application to the cons office, my sister's letter to Col Sukhdyt. Have you received them yet? Please reply each of my letters. I want to know if they reach you safely. Please don't mention politics in your letters to the address we are using in P.O. Box. only regular letters, business letters must be through my teacher. They will get to the faster and are safely. Please take every letter seriously. They are for me and do not forget my birthday. I appreciate you.

Additional Remarks :

- After 1975, having worked for American organizations I was scared of the new Government as a result I destroyed all kinds of papers involved with Americans. My houses were twice forfeited all my personal papers even diplomas, birth certificate were seized. Now I have nothing as evidence to support my declaration above, I lost everything through my family events. All I have here is a photograph posed with Major Chaplain Stanley O. Miller (of Chicago). I certainly don't intend to cause you so much inconvenience. I hope for the good purpose of the program, however, you would thoughtfully certify my statements with my supervisors or with the following persons:
 - Chaplain Maj. Stanley O. Miller : (of Chicago. His address was lost) when in Viet Nam he belonged to 11th Aviation Group, 1st Cav. Div.
 - Roman Catholic Chap. Cpt. Louis M. Dytkowsky : (of Connecticut) when in Viet Nam he belonged to C. 228 1st Cav. Div.
 - Roman Catholic Chap. Cpt. James Fox : 11th Group, 1st Cav. Div. when in Viet Nam he even gave me financial aid for my board and lodging as I left the dispensary to resume my education at the University. His address was lost but his niece's, Miss Barbara Fenelli's, was : Holyoke, Massachusetts 01040. She was my penfriend for some time.
 - Mr. Gordon R. Driven : (worked together at the dispensary) P.O. Box 20036, Wickenburg Arizona 85358.
 - Brigadier General Bambang Sumantri : , Djakarta, Indonesia
He was Head of the Indonesian Delegation to the ICCS.
 - Colonel Sutardjo : , Bandung, Indonesia.
- We have tried so hard to contact your office but so far got no reply. We are worried and much wonder. If by any chance you get this, please, do reply so that we may have some faint hope, or peacefully remain to bear our fate. Honestly, we are now penniless. please understand that we may be easily ruined by all our attempts to reach you. The postage is high and the photocopies are costly!
- On April 4, 1984 I was arrested the second time with order from The Deputy Minister (Ministry of Home Affairs); for some reason, I was detained for 7 months but was given no release certificate. I enclose here what I roughly called record of arrest as evidence. As for my birth certificate I have tried to get new copies from the Court registration but was informed (just now) that such kinds of files were given back to hamlets, however, the people from hamlets knew nothing about it.

Please List All documents attached in this questionnaire :

- The photograph posed with Chaplain S. O. Miller — pre 1975 ID Card — present ID Card (copies) —
Record of arrest (copy) — Record of detaining gold (copy)

Due to the difficulties of my situation and based on the authority of your organization and spirit of humanitarian act in which thousands of people had been saved I wish to request your assistance and intervention with the government of the Socialist Republic of Viet Nam under your arrangement and protection, and under The Orderly Departure Program to immigrate to The United States of America for the purpose of seeking a new life.

~~Following is my mother to be interviewed with me in the United States~~

- ~~Nguyễn Thị Năm, born in 1946, lives at : Ấp 6A, Phước Vĩnh GS 4/6, Đông Phú (district) Bình Định (province)~~

Your understanding approval on the above request to keep me through humanitarian act will be highly appreciated

Sincerely yours
Phạm Thị Trùng
