Dear Senator Wolf:

I am writing to ask you for a favor.

I have a cousin, a former Colonel of the Republic of Vietnam, Phan Duy Du, ODP Case No. IV 116-278, who has been waiting for his papers to be processed during the past few years. Unfortunately, no good news has been received up to now.

I understand that the Orderly Departure Program will soon restart to consider different cases again; therefore, I would respectfully ask for your help, so that Colonel Phan Duy Du's case will be considered in the near future.

I am sending herewith:

1. A copy of the letter from ODP dated June 19, 1987;
2. A copy of the Certification from the Headquarters of the United States Army Signal School, certifying that Phan Duy Du had attended various courses in 1958; and
3. A copy of your letter to me dated July 29, 1985.

Thank you very much for your time, efforts and kind assistance to this case.

Dear Sir/Madam:

*1-4-87*

This is in response to your inquiry concerning the United States Orderly Departure Program, a program by which qualified individuals are able to resettle in the United States from Vietnam. The high volume of ODP cases and inquiries unfortunately prevent our giving you a more formal response than this letter.

☐ We regret that the Orderly Departure Program policy prohibits responses to inquiries from any party other than the petitioner, a very close relative of the beneficiary in Vietnam, or the petitioner's representative designated in writing on Immigration and Naturalization Service (INS) Form G-28.

☒ We acknowledge receipt of the documents for *Phan Duy Su*, IV No. *116278*, which you sent us on *June 17, 1988*. We ~~have~~ have not reviewed your relative's/relatives' files. File review is conducted in accordance with an established schedule of priorities. If additional documents are needed, we shall contact you after the file has been reviewed.

☐ The documents which we still need to complete \_\_\_\_\_'s case are: \_\_\_\_\_

☐ The Letter of Introduction (LOI) which you are inquiring about has/has not been issued. The LOI does not guarantee that you/your relative(s) will receive exit permission, as that must be obtained from the Vietnamese authorities.

☐ Should you/your relative(s) receive an exit permit, please notify ODP of the exit permit numbers for each person listed on the case.

☒ The interview with the UNHCR representative in Ho Chi Minh City has not been conducted. Interviews are scheduled by the Vietnamese authorities, and we have no influence on the scheduling of individual cases for interview.

☐ Your relative(s) has/have been interviewed in Ho Chi Minh City, but his/her/their case has not yet been approved by a Consular or INS officer.

☐ We are awaiting a medical clearance for your relative(s).

☐ Your relative(s) has/have been approved for the U.S., and we have notified the Vietnamese that he/she/they may be placed on a manifest for departure. We cannot predict when he/she/they will be manifested as that is solely up to the Vietnamese authorities. A local voluntary agency in your area will notify you of your relative's/relatives' onward travel plans and his/her/their exact date of arrival in the United States.

Sincerely,
