Following is an English translation of the enclosed Letter of Introduction :

The above named individuals appear to qualify for resettlement in the United States of America. A final decision as to their eligibility, however, can only be made after they have been interviewed by the appropriate United States immigration or consular officials and have had certain required medical examinations and tests. Approval will depend on the individuals being determined by U.S. officials, prior to the individual's departure from Vietnam, to be in satisfactory health and to meet the requirements of U.S. immigration laws.

Therefore, should these individuals receive exit permission from the Vietnamese Government, we request that they be permitted to undertake in Vietnam all formalities and processing connected with their application to leave Vietnam under the U.S. Orderly Departure Program, including the required medical examinations and tests, and that they be permitted by the Vietnamese authorities to appear before the appropriate United States Government officials to be interviewed.

The qualification of any individual named in this letter for resettlement in the United States may be invalidated in certain situations, including marriage, divorce, the attainment of age of 21, or death.
