REQUEST FOR RECONSIDERATION

Dear sirs,

- My name is : TRẦN THỊ PHỐ, born in 1951, Sóc Trăng, BeXuyen.

- My current address : 55, Ngô Gia Tự street, Khóm 3, Phường 6, Sóc Trăng town, Hậu Giang Province.

- My file : N 2 32 AC - 1304.

On May 17, 1990, the American interview delegation refused me going USA with my Amerasian children named TRẦN VĂN SƠN (1970)

With reason : TRẦN VĂN SƠN didn't call me "MOTHER", he called me "AUNT", although I have nourished him for 20 years since he was a newly born child.

- I wish to explain that case :

I'm still single, according to Vietnamese customs, I have not right to obtain an adopted child so that, my parents told TRẦN VĂN SƠN to call me "AUNT" instead of "MOTHER" father and his mother are TRẦN MINH ĐỨC and TRỊNH THỊ LIỄU. They are my closest brother and sister - in - law.

Nowaday TRẦN VĂN SƠN lives together with me and my younger sister TRẦN ANH NGUYỄN, registered at the same permanent house holder of Sóc Trăng town. He's still depended on my maintenance.

- We do hope your helps consider again my special case. My son will be lonely if he is going by himself. Please let's to entry United States together.

I should be very grateful for a favourable consideration of my application.

Respect fully and thank fully yours,
