Dear Senator

My name is Thanh van Tran, 72 age, a former political prisoner of the Vietnamese communist regime. I am currently residing at  
- Westminster - CA - 92683. - Phone:

Before April 1975, I was an assistance's administration of province Binh tuy, in the government of the Republic of Vietnam. After the communists came to power, I was imprisoned in a re-education camp from July, 6 1975 to January 20 1980.....

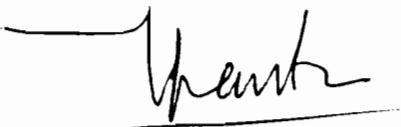

Because of that experience I have been admitted to the United States on June 7, 1996. in accordance with a subprogram of the Orderly Departure Program for former political prisoners under a bilateral agreement between Vietnam and the United States. While I am grateful for the chance to resettle in the United States, my resettlement has been made extremely difficult because the following unmarried children of mine have been rejected for resettlement despite the fact that for many years unmarried children were permitted to accompany their parents who were former political prisoners.
