

ALAN CRANSTON  
CALIFORNIA

# United States Senate

WASHINGTON, D.C. 20510

March 14, 1990

Dear Friends,

Thank you for thinking of me with your holiday message.

The passing of the '80s and the birth of a new decade should restimulate our conviction that our blessings outweigh our problems, that exuberance is always a better guide to the future than despondency, and that mankind can survive in peace.

May happiness and prosperity be your heritage for the '90s.

Ever,

Alan Cranston
