ALLAN R. GALL

Allan Gall

In recognition of your continued support and assistance to former political prisoners from Vietnam upon their arrival in the United States:

- You have shown great compassion and understanding for the needs of this worthy and vulnerable group;
- Through the Office of Refugee Resettlement in the Department of Health and Human Services, for the last three years you have championed the allocation of special funds to assist them in building new lives;
- You have worked to assure that such funds are used effectively to provide services and activities -- beyond those available to all refugees -- to lead them to success.

We most heartily thank you for your efforts and your good works, and commend you for your humanity and your effective administration of help for us.
