Greetings. Please call up Mrs. Khuc Minh Tho and ask her to fax her letter requesting the Philippine Government to ~~defer~~ the acceptance of the Political prisoners in the Philippines so that they can go directly to the US to the following person :

Honorable Antonio Carpio
Legal Advisor to the President of the Philippines
Fax # 011-632- 712-54-24

Tell her I was advised to let her do it this way to gain more acceptance. Best regards to her. I requested Hoi to send you a message when Hoi called to inquire about the arrival of Trang. If Hoi has not delivered such message then run after him to get the communication regarding the arrival of Theo from the Philippines. She will stop over at Los Angeles airport for four hours. May he Vinh can come and see her and pick up some packages for Vinh and company.

I telephone you last week end but only the machine answer. Nothing was that important. I just got inspired to call. Take care and rest well before your summer class. Best regards.

Sincerely yours,

Sister Pascale Le thi Triu, DC
