Dear Mrs. Khuc:

It is my pleasure to welcome you to WorldPerks®, Northwest Airlines' Free Travel Program.

As a member of WorldPerks, you will automatically earn a free roundtrip ticket every time you accumulate 20,000 miles. And earning your free trip is easy because there are so many ways to earn WorldPerks miles.

Whenever you fly you will receive a minimum of 750 WorldPerks miles. Actual mileage will be applied to your account for flights over 750 miles.

Furthermore, staying at Hyatt, Marriott, Radisson or Westin hotels and resorts, in conjunction with a Northwest flight, earns you 500 WorldPerks miles. And you can add 500 more miles when you rent a car through Budget or National car rental when flying Northwest.

Enjoying your WorldPerks awards is just as easy as earning them. Your awards will be sent to you automatically, so there is no paperwork to complete. All your award options, as well as the complete details of the 1990 WorldPerks program, are described in the enclosed Membership Guide. Please take a moment to review it, and then save it for future reference.

Thank you for joining WorldPerks, and for choosing Northwest. With more than 220 destinations across 3 continents, we strive to have the right flight at the right time for you. What's more, we can offer you the best free travel program in the industry to help make your travel far more rewarding.

Sincerely,

John W. Temple
