Dear Mrs. Tho:

It was wonderful to hear from you, and I am honored by your invitation to attend the Association's Tenth Anniversary Celebration in Houston. I regret that I will have to remain in China this summer, and will therefore not be able to attend.

My work with your Association on behalf of former Vietnamese political prisoners has been the most rewarding part of my Foreign Service career. It has been a great pleasure to see that the Orderly Departure Program provided humanitarian relief to so many who suffered in the "reeducation" camps.

On the occasion of the Association's tenth anniversary, I want to congratulate you and your colleagues on the Board, and all of your members for your outstanding work in helping almost 200,000 former political prisoners and their family members to resettle in the United States and make such a positive contribution to American society.

Again, I am sorry I will not be able to join you in Houston, but I am honored that you have remembered my work with your organization.

Best Regards,

Andrew Rothman
First Secretary
