

Thinking today about
the good times we've shared,
the special things
we've done together,
and how much
you have always meant to me.
And now, at Christmas,
I want you to know
I'll never forget
those special times...or you.

Have a Very
Merry Christmas

Dear Mrs. Tho -

I hope this holiday season finds you in good health, with family and friends in well-deserved retirement. Somehow, however, I suspect that retirement has not yet set in. For people like you - with the energy, the organization, and especially the heart - there is always more to do. Whatever, we wish you a very merry Christmas and a Happy New Year

Frank, Sally, and Julia Light. New address July 1993
American Embassy, Box V
Vientiane
APO AP 96546

All of the Lights are in school this year. Julia, age three, loves her pre-school three mornings a week. She is looking forward to being the flower girl in Frank's brother Jim's wedding in May. Frank and Sally are studying Lao fulltime in preparation for our posting to Vientiane next summer. As Frank says, we are feeling "chronologically challenged" learning a tonal language where one word can have six different meanings depending on the way it is pronounced! We do not think, however, that we would rather be working in the Department of State in January when a myriad of briefing papers will be required for the new Administration.

We look forward to welcoming friends to our house in Vientiane. With Bangkok, Singapore, Hong Kong, the beaches of Thailand and Malaysia, and Vietnam and Cambodia for the more adventurous all in the neighborhood, we hope to have many visitors during our two to three-year tour. If you plan to come, let us know so we can assist with the Lao visa process. Mail should reach us in 10 to 14 days, and direct dial service to Vientiane is now available through U.S. Sprint (dial 10333 to access their network). The Embassy numbers are 2220, 2357, and 2384; fax 4675.

Greeting you
with every good wish
for Christmas

Hope this finds you well and happy. Sadie
and I are fine - She's getting pretty old for a key
dog but with the help of hormones and thyroid she
behaves like a puppy most of the time. I have
a new grandson named Cody. Ginger + Bill
finally got their boy! That makes five grandchildren
now. I'll be spending the holidays with the
girls - Am looking forward to it!

Merry Christmas!

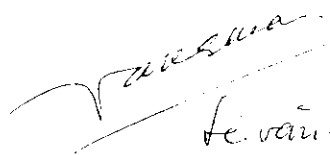

Wishing you warmth and good cheer

Love,

Calvin
