EXPLANATION OF THIS FORM: Every corporation doing business in Virginia has a registered agent and a registered office. A change can be made only by filing this Form 18. A new Form 18 must be filed whenever there is a change in the name or business address of the agent or whenever the agent dies, resigns or ceases to be qualified. Form 18A must be filed when a corporation changes its name.

The registered agent is the person to whom official communications are sent and on whom legal process is served. It is his duty to forward all such papers to the proper offices of the corporation. He should not be appointed without his consent in writing.

The agent once appointed remains the agent until his suc-

cessor is appointed. *It is important for the corporation to know at all times who its registered agent is.*

DEFINITION OF WORDS: A new appointment does not become legally effective until this form has been filed by the Clerk of the State Corporation Commission. The word "OLD" will be used to describe the agent who remains the agent until this form has been filed. The word "NEW" will be used to describe the agent who will be the agent after this form has been filed. (Of course the "old" agent may be the same person as the "new" agent.) The same terminology will apply to the registered office.

FEE SCHEDULE

Foreign Corporations

\$5.00 payable to the State Corporation Commission.

Domestic Corporations

\$5.00 payable to the State Corporation Commission.

\$5.00 payable to "The Clerk of the Court" of the county or city where your registered office was located *before* you filed this statement.

\$5.00 payable to "The Clerk of the Court" of the county or city where your registered office is to be located *after* you file this statement, unless the new office is in the same county or city as the old office.

(BUT NOTE: No fee is payable to the Clerk of the Court in the City of Richmond or the County of Henrico).

Send a SEPARATE CHECK for each fee. The reason for requiring separate checks is that each check has to be sent to a different office.

Send ALL checks with this statement to the State Corporation Commission, Box 1197, Richmond, Va. 23209.

PENALTY

Because it is essential that every corporation have at all times a registered agent on whom legal process may be served and to whom official papers may be sent, and a registered office where the sheriff of the city or county can serve legal process, the penalty for failure to comply with the law is that the corporation loses its privilege to do business as a corporation.

If the corporation is a Virginia corporation its charter will be revoked. If it is a foreign corporation its certificate of authority to do business in Virginia will be revoked. The continuous maintenance of a registered office and registered agent is one of the conditions on which the privilege of being a corporation is granted by the state.

Dear Mr. Pell:

On behalf of the Families of the Vietnamese Political Prisoners Association, we would like to take this opportunity to expressly thank you for giving us air time in order to make our objectives and Association activities known to our country fellowmen at home and also the political prisoners.

The most important facet of this opportunity afforded us by VOA is that through the program broadcasting to Viet Nam, the prisoners and people are able to actually hear directly from us and get a better understanding of what we are trying to do to help secure their release and particularly important we can also convey our feelings toward them. These are the feelings that we have long wanted to express and to be understood over the past 10 years; and without the opportunity afforded us by VOA we might not be able to realize our goals and objectives. Therefore, once again we would like to say thank you to VOA and particularly to Mr. Thai Phong who arranged the session.

Sincerely,

Thưa Bà Chủ Tịch,

Nhận thấy Hội Gia Đình Từ Nhân Chính Trị Việt Nam trong một thời gian hoạt động tương đối ngắn ngủi, đã gây được nhiều tiếng vang trong các giới người Việt cũng như người Mỹ,

Là một cơ sở thông tin phát thanh, chúng tôi rất mong được tiếp xúc với một số quý vị trong Hội đề tường trình với thính giả đài chúng tôi về:

- * Quan điểm của quý Hội về việc Hanoi dự tính cho đi khỏi nước một số người mà họ nhất định gọi là "phạm nhân", thay vì "từ nhân chính trị".
- * Những hoạt động của Hội từ khi thành lập đến nay và những kết quả thu lượm được:
 - a/- Về phía Hoa Kỳ
 - b/- Về phía Hanoi
- * Hội sẽ đối phó như thế nào với Hanoi, nếu họ không chịu trả tự do cho những người mà họ bắt giữ vì không đồng chính kiến?

Nếu được quý Hội chấp thuận, chúng tôi sẽ xin trình bày sau về những chi tiết kỹ thuật thu thanh.

Xin đa tạ Bà Chủ Tịch.

Dear Mr. Purcell:

On behalf of the Families of Vietnamese Political Prisoners Association, we are writing to you to again ask for your kind humanitarian consideration and guidance.

Our Association has received more and more letters from the families of current and former political prisoners asking for help in resettling themselves, and their children, in the United States, who are now at South East Asian camps.

The political prisoners themselves -- as stated in Secretary George Shultz's proposal, September 11th, 1984 -- would be granted priority II, and their families are included.

Their children - recently the Bureau for Refugee Programs and INS issued a policy interpretation to allow the refugee children to inherit P2, P4 status from an absent parent, for purpose of obtaining admission to the United States. The only difference in the cases of which we are requesting consideration is geographical -- most of the situations we bring to your attention are children of the political prisoners; however, they are over 18 years of age; they are not in Viet Nam. They either escaped by boats or by land, arriving at Southeast Asian camps. In most cases they were denied US resettlement. To cite a few cases for example:

The prisoners themselves:

On behalf of the Families of Vietnamese Political Prisoners Association, we would like to request your assistance in matters regarding ODP applications from current or former political prisoners -- that is, those prisoners who still remain in Viet Nam and who have no relatives in the United States or in other third countries, and want to get out of Viet Nam through ODP.

We are sure you are aware of the United States initiatives to get these prisoners released and resettled in the countries of the free world including the United States.

Cố Vấn Đoàn

DUONG MY-LINH SOLANO EMO

It is common for those who have families, for the families to file applications for them and follow up on them. But those who have no relatives abroad, must obtain a sponsorship offer, or they cannot get exit permits. It happens that these people think our association arranges sponsorships as a resettlement voluntary agency. We are not, however, and so we wish to transfer those cases to your agency; and make sure that their documents are in good hands, so we can inform them where their documents are, and they can expect to hear from your agency some-time in the near future.

We thank you for your kind assistance.

Sincerely,
