Dear Mr. Purcell:

We wish to thank you for your continued interest and efforts on behalf of the political prisoners in Viet-Nam. We are happy to report that most persons whose names were contained in the December lists which we sent you have now received their Immigration Visas and Letters of Introduction, and have informed us of their progress. We even have heard some former political prisoners having arrived in the U.S. or in the Bataan for language training. The news is heartening and we are happy to pass it along to you.

We are enclosing our latest lists of names. In the computer list, the column labelled "I" refers to the Immigration Visa, the column labelled "L" to the Letter of Introduction, and the "Y" and "N" mean "YES" and "NO", respectively, referring to whether the prisoners or ex-prisoners have received the respective documents. We are sending you these new lists with the hope that you may be able to assist these unfortunate people in obtaining the necessary documentation for ODP.

Once again, we thank you, on behalf of ourselves and our loved ones in Vietnamese prison camps.

Sincerely,

Khuc Minh Tho (Mrs.)  
 President
