Dear Mr. Tinker:

I would like to take this opportunity to expressly thank you for your kind and humanitarian stance as portrayed in your article recently published in the **New York Times** issue dated January 27, 1986 as it pertained to the plight of the Vietnamese people left behind after the fall of Saigon.

Your strong encouragement of the administration to give consideration to the Vietnamese living in the re-education camps and the group consisting of their relatives who escaped the communist regime at the end of the war was a note of hope and expectation that someone out there will listen. For these groups to have the same status and recognition given the Missing In Action (MIA) issue would further bring to American realization the plight of these people and could be viewed more in terms of "special humanitarian concerns" exhibited by the United States.

Thus, on behalf of the Families of the Vietnamese Political Prisoners Association of Virginia, I would like to express our sincere gratitude for your acknowledgement and concern for our unfortunate people. As you are acutely aware, many of those in the re-education camps have relatives and friends now living in the free world, and we have hope that we will live to see support and moral assistance on behalf of our American allies and friends as acknowledgement that our relatives have not been forgotten and thereby could obtain the same level of diplomatic intervention that the administration has bestowed the M.I.A.'s through diplomatic discussions.

Director
Bureau for Refugee Programs
U.S. Department of State
Washington, D.C.

Dear Mr. Purcell:

Once again we take the liberty to send you a new list of present and former Vietnamese political prisoners who have written us in recent weeks seeking admission to the United States through Orderly Departure Program.

As in the past, our list contains names, dates of birth, immigrant status, and the name of the proposed sponsor in the United States or, if no sponsor is named, the person's address in Viet Nam.

We fully understand the constraints under which ODP is now operating, and we hope these will soon be resolved. Meanwhile, we will appreciate any assistance you can provide to those for whom we are writing.

With thanks for your past help.

Sincerely,

Khuc Minh Tho (Mrs.)

Mr. Roger P. Winter
 Director
 United States Committee for Refugees
 815 Fifteenth Street, N.W.
 Suite 610
 Washington, D.C. 20005

Dear Mr. Winter:

On behalf of the Families of Vietnamese Political Prisoners' Assn. I would like to take this opportunity for sending us information and news clippings relating to the plight of our loved ones in the re-education camps. Also, in order to expedite our communications from you we need to apprise you of our new mailing address since our forwarding order is due to expire soon. All correspondence should be addressed to the Association and mailed to:

Families of Vietnamese Political Prisoners Assn.
P.O. Box 5435 , Arlington, Virginia 22205-0635

Secondly, it was with a great deal of interest and respect that we were fortunate enough to hear your presentation on the Update on Vietnamese Pol. prisoners and on Land Vietnamese. It was also wonderful to hear you speak on behalf of Congressman McCollum in whose absence you were able to deliver the message on A Congressional Position on Land Vietnamese.

As an Association we are receptive to any suggestions and/or ideas you might have whereby we can be of assistance to your Committee. We are doing numerous activities on behalf of our loved ones still in the re-education camps in Vietnam, and we of course have a desire to try to do much, much more. Thus, should your office have any ideas and projects in which our assistance could prove valuable, please feel free to notify us. Also, any information and/or material that your Committee thinks would be of interest and assistance to us would be greatly appreciated.

Again, our sincere and loyal support for your continued efforts and concern.

Sincerely,

Khuc, Minh-Tho

DUONG MỸ-LINH SOLAND, Esq

Dear Ms. Friend:

Thank you for your prompt action on the case of Mr. Tran Quy Khang, a refugee in camp in Japan. Because of your recent response, we have been able to assist him by forwarding the degree and verification, which we believe, can help him emigrate to this country.

Once again, we call for your assistance in looking for the father's employment verification of another young man, who also is in a Japanese refugee camp. He was told he can be admitted to the United States if he can present some proof of his father's involvement with either the US or the South Vietnamese government. His father was in the Republic of VN Army in a Ranger unit from 1958 to 1968 as a sergeant. After he was wounded he was released; he then worked for Columbia Company at Cam Ranh Bay from October 10 1969 to December 1972. Then he served as inspector for the Cam Ram Bay Disabled Veteran Association (VN) until the Socialist-Republic of Viet Nam took over.

We know it is very hard to pin down the employment verification for a US company in Viet Nam, but we have no other means to get help for this young man. Therefore, we again look to you and just hope that you know some way to get this. We attach some of the information the young man sent to our Association, which may be of some help.

Please help us any way you can and give us your prompt action again. We do appreciate your assistance in this humane endeavor.

Sincerely,

Thuc Minh Tho
