Dear Editor:

I would like to express on behalf of the Families of the Vietnamese Political Prisoners Association our heartfelt thanks to your newspaper, and especially to Mr. Dennis Rockstroh, Staff Writer, our deepest appreciation and gratitude for his article printed October 11, 1987.

On September 2, 1987 a total of 480 political prisoners, including high-level officials from the Government and the Armed Forces of the Republic of Vietnam were released.

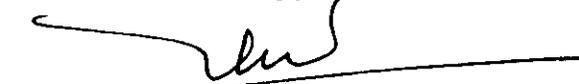

We consider this very encouraging and we attribute it to the persistent coverage by the news media, both locally and internationally. We feel that your commitment to print articles and editorials on the plight of those remaining in the re-education camps is a constant focus and reminder to the people of the free world and to those who have our loved ones in captivity.

We are confident that this continued coverage will provide the active intervention necessary in order to have the Vietnamese political prisoners still in reeducation camps released and permitted to resettle in the free world.

Again, we wish to say a very special thank you for your continued support, concern and commitment to our cause.

Should we be able to assist you in the future, please feel free to contact us.

Sincerely,

Dear Mr. Rockstroh:

Thank you very much for sending us a copy of your article about our Association. Thank you, too, for returning the paintings. Your concern and efforts have given us more courage to work harder to reach our goals and to assist those who need our help.

We would like to take this opportunity to invite you and Miss Que Huong to attend a Dinner and Music Show to be organized by our Association in support of the Vietnamese Political Prisoners. The dinner will be held at Harvest Moon Restaurant, 7260 Arlington Boulevard, Falls Church, Virginia 22042, on Saturday, November 14, 1987, at 6:30 p.m. We do hope that you and Miss Que Huong will be able to arrange your time to be with us on this special occasion.

**Advisory Committee**

NGUYỄN XUÂN LAN

As one of our special guest this will be our way of saying a very special "thank you" for the coverages you have provided on the plight and situation of the political prisoners in the re-education camps. Your articles have kept the issue alive and in the forefront of the lives and hearts of many people who have dedicated their efforts to the struggle of our loved ones.

Again, thank you, and we look forward to meeting you and Miss Que Huong on Saturday, November 14, here, in Virginia.

Sincerely yours,

Khúc Minh Tho (Mrs.)  
President

On behalf of the Families of the Vietnamese Political Prisoners Association, I would like to take this opportunity to thank you for your letter of October 20, 1987.

We are indeed very pleased that the Senate approved your Indochinese Refugee amendment to the State Department Authorization Bill. The initiative on your part, and that of your fellow co-sponsors shows genuine compassion and concern for many of the unresolved humanitarian issues currently facing both the U.S. and Vietnam. It is our belief that continued focus on this concern will in reference to the plight of reeducation camp prisoners and Amerasian children will eventually cause the political leaders to accept this amendment in the House and thus making it become law.

We again say a very special thanks to you for your humanitarian efforts and hope that the position you and your co-sponsors have taken will be viewed favorably among your colleagues.

Ngày 5 tháng 10 đl. năm 1987

Kính gửi Ông Đỗ Thành Nhân  
894 San Aleso # 4  
Sunnyvale, CA. 94086

Thưa Ông :

Chúng tôi vừa nhận được thư Ông viết ngày 23-8-87 do Ông Bùi Diễm chuyển lại. Rất cảm ơn về sự tin cậy và lòng ưu ái của quý Ông đối với Hội Gia Đình Tù Nhân Chính Trị Việt Nam.

Chúng tôi cũng rất vui mừng và cảm động trước sự sốt sắng và lòng nhiệt thành của quý Ông đối với công cuộc tranh đấu cho Tù Nhân Chính Trị Việt Nam.

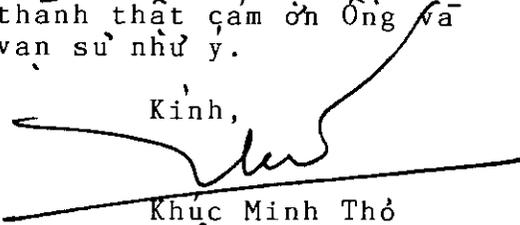

Được biết có thêm một tổ chức hay dù chỉ một người tích cực cùng chung lo cho thân nhân bằng hữu của chúng ta hiện còn đang đau khổ trong các nhà tù Cộng Sản, chúng tôi càng tin tưởng rằng việc vận động đòi lại tự do cho TNCTVN sẽ sớm có kết quả tốt đẹp.

Mặc dù Hội Gia Đình Tù Nhân Chính Trị Việt Nam rất bận rộn với những kế hoạch và công tác ở thời điểm hiện nay có nhiều dấu hiệu thuận lợi cho công cuộc vận động cho TNCTVN, chúng tôi rất mong được trao đổi ý kiến với quý Ông cũng như phối hợp hoạt động sau này nếu có thể được.

Vậy xin quý Ông vui lòng cho biết thêm các chi tiết cụ thể về những điểm chúng ta có thể cùng thảo luận với nhau để xúc tiến nhanh chóng và rộng rãi hơn công cuộc vận động cho TNCTVN.

Thay mặt Hội Gia Đình Tù Nhân Chính Trị Việt Nam, một lần nữa, chúng tôi thành thật cảm ơn Ông và kính chúc quý Ông được vạn sự như ý.

Kính,

San Jose, California 95190

Dear Editor:

I would like to express on behalf of the Families of the Vietnamese Political Prisoners Association our heartfelt thanks to your newspaper, and especially to Mr. Dennis Rockstroh, Staff Writer, our deepest appreciation and gratitude for his article printed October 11, 1987.

On September 2, 1987 a total of 480 political prisoners, including high-level officials from the Government and the Armed Forces of the Republic of Vietnam were released.

We consider this very encouraging and we attribute it to the persistent coverage by the news media, both locally and internationally. We feel that your commitment to print articles and editorials on the plight of those remaining in the re-education camps is a constant focus and reminder to the people of the free world and to those who have our loved ones in captivity.

We are confident that this continued coverage will provide the active intervention necessary in order to have the Vietnamese political prisoners still in reeducation camps released and permitted to resettle in the free world.

Again, we wish to say a very special thank you for your continued support, concern and commitment to our cause.

Should we be able to assist you in the future, please feel free to contact us.

Sincerely,

Dear Senator Hatfield :

On behalf of the Families of the Vietnamese Political Prisoners Association, I would like to take this opportunity to thank you for your letter of October 20, 1987.

We are indeed very pleased that the Senate approved your Indochinese Refugee amendment to the State Department Authorization Bill. The initiative on your part, and that of your fellow co-sponsors shows genuine compassion and concern for many of the unresolved humanitarian issues currently facing both the U.S. and Vietnam. It is our belief that continued focus on this concern will in reference to the plight of reeducation camp prisoners and Amerasian children will eventually cause the political leaders to accept this amendment in the House and thus making it become law.

We again say a very special thanks to you for your humanitarian efforts and hope that the position you and your co-sponsors have taken will be viewed favorably among your colleagues.

Sincerely,

Khuc Minh Tho (Mrs.)
