Dear Ms. Patricia Lienesch:

I reply your e-mail on behalf of my mother, Mrs. Tho Khuc, President of Families of Vietnamese Political Prisoners Association. My mother told me that she has been waiting to book a ticket back to USA as soon as possible in order to support for McCain's campaign. She is also calling and asking her friends and leaders of Vietnamese Community Associations to support for JM with all of our best.

Especially, one of my mother's best friends, Mr. Le Van Ba (Ba V. Le), Chairman of Washington Area League of Vietnamese Associations, who often attended almost all of meetings of FVPPA with you and/or Sen. McCain's Office, is currently assisting my mother on the support for McCain's campaign while she is in Vietnam. He left a message for you in this morning, Sunday, 2-27-00. He would like to give you his e-mail address, phone and fax numbers, in case if you need his help or the Vietnamese Associations, you may contact directly and immediately.

E-mail: LVBALH@AOL.COM
Phone & Fax: (301) 258-0212

With warm regards, best wishes and good luck

Minh-Chau Nguyen
