PLEASE SEND APPEALS IMMEDIATELY. Check with the International Secretariat, or your section office, if sending appeals after 30 November 1987

- Please take action as soon as you receive this Urgent Action appeal. Carefully read the recommended action. If possible, send a telegram or express letter immediately to one or more of the addresses given. Other letters can be sent afterwards.
- Telegrams and letters should be brief and courteous. Stress that your concern for human rights is not in any way politically partisan. Refer to relevant provisions in international law, such as the United Nations Universal Declaration of Human Rights:
 - Article 3 — "Everyone has the right to life, liberty and security of person."
 - Article 5 — "No one shall be subjected to torture or to cruel, inhuman or degrading treatment or punishment."
 - Article 9 — "No one shall be subjected to arbitrary arrest, detention or exile."
- The name of Amnesty International may be used, although letters written in a private or personal capacity may be more effective.
- Copies of appeals should be sent to relevant diplomatic representatives in your country.
- In Urgent Action cases, Amnesty International has to act rapidly to prevent the ill-treatment of prisoners. An appeal is issued when Amnesty International believes it has received reliable and accurate information in such cases. It is not always possible to verify all details independently and in some instances the situation outlined in the appeal may change. Urgent Action participants are always notified of any significant new facts
- Copies of any replies received from government authorities should be sent immediately to your section's Urgent Action coordinator or direct to the Campaign and Membership Department of the International Secretariat. If appropriate, thank the official who has replied and ask to be kept informed about the case.
