Ginetta Sagan  
Executive Director

ADDENDUM TO  
Violations of Human Rights  
in  
The Socialist Republic of Vietnam

The Socialist Republic of Vietnam (SRV) signed the United Nations' Human Rights Covenants on December 24, 1982. Although the SRV has not yet ratified the Covenants, as a signatory to them it recognizes their authority as international standards.

(Please see page 2)

---

The Aurora Foundation is a non-profit organization whose objective is improvement in the observance of human rights throughout the world. In pursuit of this objective Aurora educates the public about basic human rights; researches violations of human rights and publicizes the results; and, in conjunction with other human rights organizations, renders assistance to victims of human rights violations.
