

Marriage is...

*a dream filled with meaning
that starts coming true
because you have someone
to share life with you...*

*a loved one beside you
wherever you go,
two hearts joined together
by words whispered low...*

*a wonderful blending
of laughter and tears,
a warm understanding
that deepens with years...*

*it's saying, "I love you,"
with words or a glance,
it's caring... it's sharing
a life-long romance.*
