

Hi Don! I recently talked
with a columnist with OAK
TRIBUNE. He in turn put a
article in his column and ONE
MORE SEAWOLF has been found
Walter Frazier

Would you please see to it
that he gets a questionnaire
and membership application.
I am doing what I can for
seawolves in hopes we may
have a West Coast Seawolves
get together either formal or informl
I have never gotten a reply
from our West Coast rep.... Very
disappointed with him
a fellow Seawolf DKHuck
