

Dear Mr & Mrs Thompson -

We really want to thank you for the super reunion.

We enjoyed every minute of it! The air demonstration of the helicopter was really thrilling! Like many of the other men it brought goose-bumps, it was so exciting!

Charlie will eventually write but he is such a procrastinator! We were married about 3 years while he was in the service & he wrote about 3 times. I saved all 3 letters & I wrote him faithfully every single day.

(over)

Anyway we had such a great time, we still talk about it and look forward to the next one!

I really enjoyed all the pictures because all of Charlie's pictures, clothes, etc were in a fire in Vietnam when he was in the hospital after he had been shot in the head.

We really appreciate all the trouble, time, etc. that was made, we loved every minute of the Reunion!
