M. D. Austin

Hi Tom,
Just a short note to get
the enclosed pictures to you that
I found in my collection of
stuff I have piled up over the
years.
Don't know if it will be
of any use but you can decide
that!
Hope you can use it.

Best Regards
Austin

P.S. This was run a short time
after we were commissioned H&A 3
from a detachment out of San Diego
