

RECEIVED MAR 11 02

DEAR DON:

I would like to take this opportunity to thank you for your phone call. I am very pleased to be a part of the SEAWOLF Association and look forward to the up-coming WOLFGRAMS. I have received my SEAWOLF PATCHES from MR THALMANN already and may want to order more for some shipmates in HC-9. THANK YOU AGAIN!

I will try to make it to the reunion in Pensacola but I'm not sure if I can. HC-9 was to have this years Reducta at NAS Pensacola but it was canceled. I hope to make it anyway.

With this letter I am sending you a couple of pictures of some pilots and aircrewmen that were in my detachment between July 1967 and MAR 1968. I can only remember a few names, so maybe some guys at the reunion can help with the other names.

I would like to send you the name and address of a pilot that is in HC-9 with me and was in HA(U)-3.

MR. JOHN C. CONNOLLY

Respectfully
Alan L. Wilson
