SAWS LETTER 10 10M THALMANN
MAR 11, 1992 WITH INFO. FROM THE
HISTORIAN FOR THE "WOLFGRAM" 207

Brother Seawolf Officers:

It sure is a great feeling to know that our membership has finally received a "Wolfgram". We were all getting concerned with no timely newsletter for our membership. Hopefully, the newsletter problems have been worked out and our membership will receive future "Wolfgrams" in a timely manner, four times per year.

As per our newsletter, our next "Wolfgram" should be out to the membership in April. For that to happen, we need to get something to Tom Thalmann by the first of April. I realize that we are all very busy and sometimes there are conflicts. If you are unable to write a letter to Tom Thalmann, please call him at . We all have important information that we have to share with our membership.

ACTION

There are some items that may be of interest: Rich Lambert and Don Stedman are working hard on the Seawolf scholarship fund. The plan, which I endorse, is to award a scholarship at our next reunion in Pensacola, Florida. I have sent Rich Lambert a copy of the Seawolf Association by-laws.

Dan Smiley has been authorized to spend the necessary funds to advertise for lost Seawolfs. Hopefully, this will help build our association now, rather than just giving a big push before the next reunion. Dan has also been authorized to spend funds on some other ideas that he has to find lost Seawolfs.

Dan Calvert is currently working on filing a Association tax statement with the IRS. Sounds like this will take a lot of research and work to make sure that we are operating in a legal and accountable manner.

I'm working on trying to draft Dan Higgins as our full time Quartermaster. Dan is currently working with a party that will be able to provide Seawolf t-shirts, sweatshirts and maybe other items to our membership on a order basis. This will not cost the Association any up front money as it has in the past. The association will make a yet undermined amount of money on each item sold. Dan will be donating his time on this project and will be making no money. Dan has also assured me that special order items will be available for future Seawolf reunions. Sounds like a good deal to me. I will be sending Dan a Seawolf logo for the t-shirts etc.

Don Thompson is still locating lost Seawolfs and obtaining historical data for the association. Don also wants to track down more Seawolf KIA families, so they will be able to attend the next reunion.

Con Jaburg is currently in Saudia Arabia. His address is:

Con's on site reunion alternate is Matt Gache.
Telephone number

Dan Calvert currently has some items left over from the last reunion for sale. In San Diego, this was our price list:

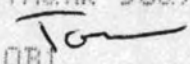

T-shirts \$15.00, seawolf hats \$15.00, seawolf bumper stickers \$1.00, a Seawolf History \$1.00, and seawolf Pins \$5.00.

As a result of our last Wolfgram, a Ron Webster called me. Ron stated that he was a gunner and is now getting 100% disability for a cancer that is agent orange related. Ron stated that he has had had PSDI and that is why he has not attended any of the Past reunions. Ron states that he is currently receiving treatment for his cancer and hopes for the best. I only bring this up so that if any of the association officers know Ron they may want to know that his telephone number is [REDACTED]

Also, someone called and mentioned that one of the telephone numbers for Agent Orange Problems, listed in the Wolfgram was incorrect.

Thats all the news for now. If I can be of any help or assistance, Please drop me a line or call me. I have sent Capt. Borgstrom a video copy of our last reunion.

Thank you,

OBI
