Tom Olby

Dear Tom,

Thanks for the Christmas Card. Things have been hectic.
From June 1st to Nov 1st I slept in my own bed five nights!

I have located four more lost Wolves. This makes 138 lost
Wolves I have located in the past 8 years. I'm very proud of that
record. The new finds are as follows:

J.J. Sullivan. III Merrill Dennis Holmes Mike Reid

HAL-3 in 1970/71	In HAL-2 in 1969/70	In HAL-3 in 1970/71
Phone Unlisted		(Det 7)

Jack McAfee
Strike Force South Rep.

All four of these Wolves
were Officer/pilot types.
I believe they were all
LTJG's in HAL-3.

In HAL-3 in 1970/71
His address will change frequently
as he is still on active duty.

It was great seeing you and all the Wolves in San Diego. I
~~always~~ enjoy seeing Darlene. You married a super lady Thomas!
When we meet in Pensacola in 1993 we will probably be among only
about half a dozen Wolves who will have attended all four reunions!

I have been busy running around the country picking up ECAS
Cobra Helicopters (ECAS= Enhanced Cobra Armament System) that have
returned from Desert Storm and ferrying them back to Whiteman, AFB
for my Guard unit to use. We have, currently 15 OH-58's, 15 AH-1S
Cobra's, 3 UH-1H UHIE's and 11 of the new ECAS Cobras with 7 more
on the way making 51 altogether.

Some items to include in the next Wolfgram:

All former Seawolves have been awarded the following medals:

- National Defense Medal
- Presidential Unit Citation (PUC)
- Vietnamese Service Medal
- Vietnamese Campaign Medal

There was nothing in my records or on my DD-214 mentioning ~~the PUC~~ but Capt. Borgstrom told me that the last act Pres. Nixon did before resigning from office was to award the Wolves the PUC. I checked on this and it is accurate.

Some Groups our members may wish to join:

1. Gamewardens of Vietnam, Assoc., Inc.

- = John Williams
- = Cliff

These are the Brown Water Navy folks, of which we were a part, and they have ~~six~~ chapters spread around the country that have their own reunions also. Their National reunion will be in St. Louis July 30 to Aug 8th. Call the toll free number for the various chapters reunion dates. Dues are \$10. per year and many Wolves are members. I became a Life Member for \$100.

2. Vietnam Helicopter Pilots Assn.

(513)701-VHPA

Dues are \$30. per year or \$450. for a Life Membership. This is a really professional group with over 6,000 members. They have annual reunions. Their next reunion will be in Atlanta, July 2-5, 1992. Their annual directories are included in the membership fee and have a world of information. They also have quarterly newsletters.

3. Vietnam Helicopter Crewmembers Assn.

I could not locate my info. on this group. I think that Tom Thalmann has their info.

Other Info. for the Wolfgram:

There is a Vietnam War Museum Now :

Vietnam War Museum

This is located across the street from the Alamo and they have 14,000 square feet of display area. How about getting them a "Seawolf Helicopter"! If any of the Wolves are in San Antonio I suggest they stop by to see it.

There is a book store that stocks every book written about Vietnam and that numbers into the thousands. You can write them for a free catalog. It is owned and ran by a Vietnam Vetran.

The Vietnam Book Store

Vietnam Vetran Agent Orange Victims, Inc

Agent Orange Vets Payment Program

The above information may prove helpful to any of our guys who are having health problems that they feel may be related to Agent Orange. The VA has now reopened the entire matter and now has to go on the assumption that Viet Vets problems are Agent Orange related.
