DON.

Just a short note to let you
know all is well with us in
Minnesota.

Since you are the Seawing
historian, I've enclosed a
short history on how the
squadron got started. I found
it interesting.

Also, in regards to former
HAWP members a Tom Hunt
PO1 was on detachment 1 in 1969.
He got wounded flying a
army helo that was attacked
to Det 1. He retired from
the Navy and

was employed as a U.S.
Sky Marshal. Apparently he was
hit by a car crossing the
street in the state of New
York. I forget when I
received this information
but believe it to be true.

Hope to hear from you
one of these days. Will see
you in Florida at the next
reunion.

Good job on getting the
chopper for the air museum.

Take care
Tom
