Subject: Advertisement Coordination

From: Tom Thalmann

I have asked Dan Smiley to serve as Advertisement Coordinator. Dan will contact the many magazines and periodicals that may be able to help us announce the 2nd Seawolf Reunion.

In my October letter I asked you to place advertisements and gave you a budget to work with. When you have done so, write and tell Dan where you placed the advertisements and the amount you spent. If you can place some freebee advertisement, Great. Just let Dan know where.

Dan efforts will help us keep track of who we have contacted and will also serve as tracks for future Seawolf Reunions.

Dan's address is :
