Gentlemen:

The U.S.S. Yorktown CV-10 Association's 39th Reunion photo book just arrived in the mail and I want to congratulate you and your fine staff for a job well done. The sixty seven pictures covered all of our activities...and the 128 pictures of the couples and individuals who attended is testimony to a successful gettogether.

I'm pleased for the inclusion of the new aircraft newly placed aboard ship. This will give added incentive to the members to return for the 40th Reunion coming up this October. I'm sure Joe Sharkey was responsible for this addition...truly, a dedicated man.

Again, many thanks,

Richard C. Tripp  
President
