## ACKNOWLEDGMENTS

We wish to acknowledge the efforts of all those involved in making this reunion a success. In particular, Marty Twite and Rich Hargis devoted an exceptional amount of time to the event. Their hard work and attention to detail made it happen. Our reunion prompted the presence of the *Mobile Vietnam Veterans Memorial* ("Moving Wall") at the Naval Training Center. That, along with the joint memorial ceremony and picnic with the *Gamewardens of Vietnam* on Saturday morning, made the reunion particularly memorable.
