

SEAWOLF REUNION
JUNE 12TH - 14TH

It's going to happen! I don't know if there will ever be another Seawolf reunion, but the first reunion is now a reality. From the letters and telephone calls I've received I know that there's a lot of interest and people planning to attend.

We have made arrangements at the Marriott Hotel which is located next to the Kansas City airport. You must make your own reservations. Room rates are \$52.00 (mention Seawolf reunion or you may pay over \$100.00) and you have a choice of two beds or one king size bed. The hotel has reserved a block of rooms for us, which they have agreed to hold until ten days before our reunion. This means that after June 2nd you may have a difficult time making reservations. Don't wait till the last minute. I just made my reservations and had no difficulty but I had to mention the Seawolf reunion and the dates June 12th thru 14th.

Don Thompson along with a sizeable crew of Seawolves are planning the reunion. Don tells me that he plans to have a Huey static display available and that he has a few other items planned. Bring your beret and pictures. I am in the process of placing an order for 100 to 150 Seawolf patches which our wallet can presently withstand. Some people have expressed an interest in T shirts; however, our wallet at its present state cannot withstand postage, Seawolf patches and T shirts. If you would like to help solve this problem your donations will be appreciated.

Locating Seawolves has been difficult. We've advertised in Veterans magazines and sent mailings to 175 Vet Centers throughout the country. But the best source of information comes from people like yourselves, if you know of another Seawolf send me his address. If you have moved and this letter was forwarded to you, send me your new address. To date we have about 130 current Seawolf names and address's out of a potential 3,000. A year and a half ago when I placed an advertisement in the Vietnam Veterans of America locator the only address I had was my own.

Last week I received a letter from Rick Pryor 1971-72 det 2. Rick was in an accident in 1976 and is paralyzed from the neck down. Rick asked me for a map of Vietnam and I've arranged for one. If any of you know Rick you may write to him c/o Burmont Nursing Home,

If you plan to attend, and I hope everyone does, please let me know.

SEE YOU IN KC
