Don,

As promised, I've enclosed the copies of the first "Waygrams". I do hope they are of some help to you.

If there is anything else you could use or think you might, please let me know. (I told you I have my dad's journal).

I'm in the process of putting my slides & various pictures on video tape, so you may find something in that you'd want.

I enjoyed meeting & speaking with at the reunion. You are a bucket of information. I don't know how you do it.

Let me know if I can be of

assistance in any way.

Thanks for speaking with me
& telling me more about the wolves.
All of you guys have been great.

Shirley

P.S.

Can I get a new roster from you?
There were some people I met who
are not on mine.
