

Mr. Don Thomson

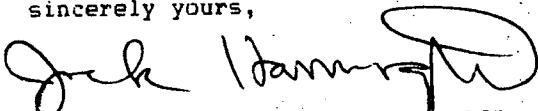

Dear Don:

Enclosed are some photocopies of an article from the "Vietnam Helicopter Handbook". The article gives some other details of the squadron as well as a version of how the Seawolf name came to be.

I am also trying to get detail of a painting which is entitled "HAL-3 Seawolves On Patrol" which is part of the exhibit at our Mississippi Military Museum here in Jackson. When I have the details I will send you a copy of the information.

Enjoyed talking to you at the reunion. Hope to see you in 1991.

sincerely yours,

Jack Harrington "Youngest Seawolf"
