DET 3 VINH LONG

Dear Tom,

Tom Crull called me when he got your letter.

I am sending you names, etc for your list. The group I have been corresponding with the past 5 years got together here in central Florida. I am sending you a copy of the letter. We had a great time.

We were on Det 3 Vinh Long most of 1968 together. We have a small list that see each other now & then.

You would come late to plan this time in H.C.

Please let me know how you make out and put me on your mailing list. I have been in contact with about 12 for the past 5 or 6 yrs.

Take Care
James L. Tice
