

U.S. Navy Helicopter Attack (Light) Squadron Three  
Known as HA(L)-3 "Seawolves"

Commissioned 1 APR. 1967

Decommissioned 26 JAN. 1972

This aircraft is dedicated to the proud, brave men, our comrades in arms, who gave their lives in the service of their country in the Republic of South Vietnam. Their heroism, uncommon valor, sacrifice and unwavering devotion to duty have become the Legend of the Seawolves and uphold the highest traditions of the U.S. Naval Service. Eventually only the rivers and the seasons will remain but while we live these men shall never be forgotten.

Signed: The Officers and Men of the HA(L)-3 Seawolf Association, 10 JUN. 1989
