

THANKSGIVING

Almighty God, Father of all mercies, we give you hearty thanks for all your goodness and loving kindness to us and to all men. We bless you for our creation, preservation, and all the blessings of this life. We pray that we may always prove ourselves a people mindful of your favor and glad to do your will. Save us from violence, discord, and confusion; from pride and arrogance and from every evil way. Defend our liberties and fashion into one united people the citizens of our land, that there may be justice and peace at home, and that we may show forth your praise among the nations of the earth. AMEN.
