Con Jaburg  
Office of the President  
HAL-3 Seawolf Association

Dear Con::

I just received a telephone call from Dan Kelly who just got off the telephone with Kevin Dockery. Kevin was a seal in Vietnam and has authored several books about Seals in Vietnam. Apparently, Kevin has talked to Jim Watson, the curator of the Seal Museum in Ft. Pierce about writing a book on the Seawolves and also making a movie about the Seawolves.

Kevin has written his own book about the Seals in Vietnam and also was a co- author of Jim Watson's book Pointman. Dan also stated that Watson wants the Seawolves to be part of the Seal Museum in Ft. Pierce. Kevin is suppose to contact me via telephone any plan is to steer him in your direction, since you are the President of our Association. I believe that if this proposal is interesting and sincere, you may want to direct his inquiry to Don Thompson since he already has a copy of a contract for someone writing our story. No reason to reinvent the wheel.

I believe that all such inquiries and proposals be routed through you or our historian, Don Thompson. If I do indeed receive a phone call from Kevin, I will provide him with your telephone number. Kevin can be reached at . According to Dan, Kevin already has a large amount of historical information on the Seawolves and is excited about writing our story. I am not sure if Jim Watson has been in contact with you regarding the book or movie.

That is all I have. Good luck and I hope this proposal has some merit.

Sincerely,

Tom Olby
