c/o Mrs. Truex

Dear Jim,

I'm sending this letter to your mother in hopes that she will forward it on to you. We are trying to get your current address and phone number so that we can contact you. We have a very large and active association of ex HA(L)-3 Seawolf persons. We have over 500 members and had a reunion in Kansas City in 1987 and another in Pensacola in 1989. We will be having the next reunion this summer on June 14, 15 & 16 in San Diego, California. These reunions are really great fun and very interesting.

I talked with Brian Munger on the phone a few minutes ago and he gave me your mothers address. I called the post office in Colliers to make sure that it was still current. Brian is one of our very active members and comes to all the reunions. We also have a Wolfgram that comes out about quarterly. Brian said to tell you that we have located, Chuck Larson, Brian Chase, Glen Wilson, Art Stoneking, Rick Muesner, Tom Conklin and Dave Frasier. I believe those are all Det 3 friends of yours. Dick Barr is also very active in our association. You may remember him.

Please contact me as shown at the top of the page or contact Brian as follows:

Looking forward to hearing from you as soon as possible.

Best Regards,

HA(L)-3 Seawolf Assn. Historian
