Mr. Joseph R. Priestley

Dear Joe:

I received your FAX regarding your continued active status in the Association.

At the last two business meetings, member disability status was discussed and by executive decision, anyone who is 50% or more disabled has been determined to be eligible for a waiver of all dues to the association. From your FAX, it appears that you are eligible for this waiver. If that is the case, please complete the enclosed form and return it and I shall make the necessary changes to your status.

With regard to the documents and historical records, I would suggest that you contact Don Thomson, our Historian, and arrange to transfer them to him. There are several books being written currently and the more information that is available, the more accurate they will be. Don has been the "repository" for most of the trash and trivia from the squadron and has a good archive on hand.

His address is:

Don C. Thomson

Warmest personal regards,
