REUNION 2002 UPDATE

May 15, 2002

Don C. Thomson

Dear Brother Seawolf:

As of this writing, the response to the reunion has been less than promising. By this time before the Jacksonville and San Diego reunions, we had over 225 registrants. We currently have only 189 confirmed registrations and only 183 for the banquet. If we don't have the 200 required minimum by 1 June, we will be forced to cancel or to pay for additional rooms & banquet fees which would virtually break the organization. So if you are planning on attending, let's get those registration forms in. If you don't have a form, call, FAX or email me as soon as possible.

Here is the most current list of those who have registered with the association:
