Dear Mr. Dziekan,

Several members of the Seawolf Association's Board of Directors have indicated that they would like to review the project proposal mentioned in your e-mail message dated Feb. 3, 1999.

Accordingly, it is requested that a copy of the project proposal be forwarded to the following directors:

William J. Mulcahy

Richard Barr

Daniel Calvert

Conrad Jaburg

Donald Thomson

In the event the project proposal is voluminous and extensive copying is required, a single copy sent to me will be sufficient and I will then circulate it to the other directors.

Sincerely

Bill Mulcahy, President
Seawolf Association
