Mr. Tom Thalmann

Dear Tom

Here is the information on three more found Wolves. They will all need reunion packets and rosters sent to them. You might want to consider a phone call to Capt. Munson, who was a C.O. of HAL-3. He missed the last reunion because we weren't able to locate him until the last minute and we don't want that to happen again this time.

Capt. Arthur H. Munson

He was the first CO of HAL-3

Capt. William "WOO" Farrell

He was at HAL-3 in 1969

Capt. William "Crusher" Calhoun

HAL-3, Det-2, 1969

They should be 380, 381 and 382 on our roster. I know that we'll push beyond 400 by the reunion so I'm already eyeing the magic 500 ! I have a list of over 80 Wolves who are still on active duty for whom we have no address. That should be very fertile ground. Something you should put on your list to bring up at the reunion is that if every Wolf would just find one Wolf, which nearly everyone could do by making a couple of phone calls, we would have over 800 names on our roster. Also, besides an Editor for the Wolfgram, we need to elect a

Membership chairman. It needs to be someone who will take the bull by the horns and get us from 400 to 800 members within one year after the Pensacola reunion. With two good reunions under our belt and OUR bird sitting in the Naval Air Museum, Membership and the historical end will be the two primary missions left to complete over the next year.

P.S. Seawolf 383, a refind is as follows:

Capt. Earl Shaut

Det 1 in 1970 & 1971

I talked with Earl on the phone a few minutes ago. He says that this address will be good until July at which time he is being transferred to Washington, D.C. for two ~~years~~ **YEARS**: He attended the Helicopter pilots association annual meeting last week in Jacksonville, FL. He said they had about 2,500 to 3,000 attend and that he heard about the upcoming reunion from a HAL-3 type retiree that was there. Earl said that he will try to attend our reunion but that depends on the length of a promotion board that he is sitting on that starts on June 5th.

Must Run,

Don Thomson
