Don T.,

Betty and Ken have invited us for Dinner on Tuesday the 20th of June at 6:00. I'll call you on the 19th, but I will plan to meet you at your hotel if that is convenient and then we can all go to Ken's. It is just a short drive north from Hotel Circle. They will certainly get a kick out of meeting your son Colby - he's what, a HS Senior - can't remember exactly. Should be really fun.

Incidentally, if you have time when here you should try to see Ken's beach chair manufacturing facility. Reminds me of the old ski factory but a whole lot LESS sawdust.

Looking forward to seeing you Don T.!
