

Nova,

Great photo. Glad to hear rehearsals are going well.

Colby and I will arrive in San Diego about 12:45 PM (just after lunch) on June 19th. We will get a rental car and drive to our hotel and check into our room. We're staying at the Hanalei Hotel at 2270 Hotel Circle North. The phone number there is [REDACTED]

After we check in our schedule is flexible the rest of Monday the 19th and all of Tuesday the 20 and most of Wednesday the 21st. Would like to see you and Ken Smith on one of those days and/or nights. Monday or Tuesday would be preferable. I'll also be seeing my high school honey, my cousin and my nephew. The reunion gets going informally Thursday and continues, Fri, Sat and Sun and Monday AM.

Friday the 23rd Colby and I are coming to Seaworld arriving at 10AM with a bus load or two of folks with my reunion. We are scheduled to be there 5 hours and depart at 3 PM. Of course Colby and I could come out and see you there before that depending on your schedule. I know you'll be busy with work and don't expect you do show us around the town but definitely didn't want to miss this rare opportunity to see you. Also am looking forward to seeing your show at Seaworld. Would like to buy you dinner at least one night while we're there. We depart on Monday the 26th about noon or so.

Let me know what would work with your schedule. Looking forward to seeing you Nova. Best Regards, Don T.
