

SEAWOLF ASSOCIATION

Office of the President

September 2, 1993

Dear Seawolf Association Officers:

Just received the final draft of the Seawolf Association Scholarship Fund from our Scholarship Chairman, Rich Lambert. Hopefully, you will agree that Rich has put a lot of time and effort into this project with some assistance from Don Stedman. I was personally very impressed with the final draft and believe it to be well researched and feasible.

I would like your input on this final draft so that any changes can be made before the next Wolfggram is published in December of this year, or early January of next year. If there are changes that you believe need to be made, please advise me ASAP so that a general unanimity can be reached among Seawolf Association Officers.

The plan is to publish the scholarship application in the next Wolfggram so that the members will have time to apply and for scholarships to be presented at the next reunion in Pensacola. Constructive criticism is most welcome. Hope to receive some feedback soon.

The Wolfggram is being fine tuned as we speak and it should be out soon.

A Brother Wolf,

Tom
