C/O Military Memories

Dear Mr. Terkin:

I am writing you this letter in response to a recent inquiry made in behalf of the HAL-3 Seawolf Association. It is my understanding that you have been in recent contact with our Treasurer Dan Calvert, regarding a gold star medal for **mothers** of Vietnam veterans who were killed in action. You were kind enough to send Dan one of these medals for closer inspection before our Association completed a order.

We would like to thank you for sending this medal to us and would like to compliment you on the medals design and importance. My initial understanding was that this specific merchandise was a "gold star pen" and not a medallion. We had initially thought that we would present a gold star pen to the mothers of our KIA's at our reunion in Pensacola this May. Since this item was not what we thought it was, it seems wise and prudent to see what interest there may be for the medallion before placing a order.

If there is a interest for this gold star medallion, we will get back to you after our reunion.

Your cooperation in this matter has been greatly appreciated and we will return the medallion that you were so kind enough to provide us. If we can be of any assistance in the future, don't hesitate to contact the HAL-3 Association. Thank you for your consideration.

We are always looking for former HAL-3 Seawolves!

Respectfully,

Tom

President, HAL-3 Seawolf Association
